

It's never too late to earn your
High School Diploma!

**Anne Arundel Evening
High School**

Program of Study • 2022-2023

Fall Semester

What is Evening High School?

The Evening High School is an alternative high school instructional program. Anyone who is under 21 and interested in completing a high school education may attend, including students currently enrolled in a regular daytime high school program. A student must be 16 to transfer to evening high school as a full-time student. Students under the age of 16 must be currently enrolled in the regular daytime high school program to attend Evening High School. Credits earned by successful completion of courses in Evening High School count toward fulfilling requirements for obtaining the Maryland High School Diploma. Service continuums and support will be provided for students with disabilities.

Why should you attend Evening High School?

If you did not finish high school, the Evening High School program offers you an opportunity to complete your high school education and earn your high school diploma. Credits already earned by you in previous schools will be applied toward the graduation requirements for Maryland. The Evening High School Program will lead to a high school diploma that is readily accepted by the military, colleges, and employers.

If you are a student currently attending a high school program during the day, the Evening High School offers you opportunities to make up credits or take extra courses.

What is the Evening High School schedule?

The Evening High School program is offered during the fall and spring semesters.

The 2022 Fall Semester Schedule

Registration: September 6–8, 2022 online

* Contact counselors for more information.

Classes Start: Tuesday & Thursday classes – September 13, 2022
Monday & Wednesday classes – September 14, 2022

Due to funding limitations, not all courses are available at all campuses. Students may have to attend multiple campuses to take all of their required courses. Evening High School classes are limited to students currently attending or transferring from Anne Arundel County Public Schools. Registration priority will be given to graduating seniors (concurrent and non-concurrent), and students needing courses not offered at their home school.

Career Completer Courses

- S249 Workplace Immersion

(Must be taken concurrently with the Career Transitions course offered in Evening High School—check campus for availability)

How do I know what I need in order to graduate?

The number of credits and courses required for graduation depends upon the graduation requirements in place at the time you entered ninth grade. At the time of registration, evening high school counselors review student records to determine the appropriate course of study for each student. Students enrolled in a day high school program are subject to the current requirements for graduation.

What are the policies on attendance & student conduct?

A student who misses more than four class meetings is considered excessively absent and may not meet requirements for earning credit. The Evening High School Lead Administrator and teacher(s) review cases of absenteeism to decide whether credit can be awarded.

Regular day school conduct and dress requirements are in effect in all Evening High School settings. Serious and/or repeated violations of school rules and regulations will be sufficient reason for dropping a student from Evening High School without a refund of fees. Smoking or possession of tobacco products is not permitted on school property or at school-sponsored events. ***This prohibition includes electronic cigarettes, smoking sticks, vape pens, and/or vape liquid, whether or not they contain tobacco products.***

Technology Resource Use by Students

AACPS is committed to providing safe and quality instructional opportunities for all students. The student is responsible for appropriate behavior while using technology-related resources. Teachers monitor student activities while online for appropriateness and instructional relevance. Rules and regulations designed to ensure proper use of technology used for virtual education for evening high school include but are not limited to the following:

- plagiarize online content.
- create, access or distribute offensive, obscene, bullying, or inflammatory materials on AACPS technology-related resources or tools (including hardware, software, approved mobile devices, and websites).
- knowingly access unauthorized technology-related hardware and software to tamper with or destroy data.
- connect non-AACPS approved personal computing devices such as laptops or mobile devices to the AACPS network whether wired or wireless.
- use electronic or cloud-based resources and equipment in any other manner that would violate AACPS Board policies or state or federal laws.
- share user account information or passwords with others.

Directed Internet use

- Requires appropriate adult supervision. (i.e., staff members or their adult designees must be present to actively monitor student access to the Internet).
- Internet searches will be conducted using AACPS recommended search engines, online databases, and sites.
- Students may not type in web site addresses (URLS). (Exception: High School students with active supervision of an adult and in compliance with the above stated conditions).

- Internet use is permitted at all levels and in compliance with above stated conditions.

For more detailed and specific information regarding school computer resources refer to the AACPS Student Handbook or contact the evening high school administrator.

Are textbooks provided?

Yes, textbooks are provided on loan to the student. They are to be returned at the completion of each course and/or when a student withdraws. A fee is charged to students for damaged and/or lost textbooks. Students are responsible for supplying instructional materials that are required by the teacher of each course.

How do I enroll?

Enrollment for evening high school for the fall 2022 will be online. Contact your school counselor for more information.

Is there a graduation ceremony?

Yes! All evening high school students are invited to participate in a graduation ceremony that is held each June. This is a popular and moving ceremony in which graduating seniors, wearing caps and gowns, receive their high school diplomas in front of families and friends. Join us and experience this for yourself!

How much does it cost?

Concurrent Enrollment

\$300 per course for Anne Arundel County students who are attending a day high school program. Students whose families receive public assistance may be eligible for tuition reduction to \$100/course. ***Only concurrent enrollments are eligible for tuition reduction.**

Parents/guardians must document receipt of public assistance at the time of registration. Examples of documentation include current Medical Assistance Card, Food Stamp verification, Independence Card, Public Housing Assistance, Emergency Assistance Card, Women, Infants, and Children (WIC) program, or Free and Reduced Meals (FARMS) verification. ***Students must be active in FARMS prior to enrollment to EHS to qualify for tuition reduction.**

Non-Concurrent Enrollment

UNDER 18: \$100 per year, non-concurrent students under 18 years of age, who are not attending a day high school program **MUST** enroll for the entire school year.

AGE 18–21: \$50 per semester, non-concurrent student registration fee, for Anne Arundel County residents **ONLY**, under 21 years of age, who are not attending a day high school program.

These special funds support student and school-based functions that benefit the students.

Payment

All fees must be paid at the time of registration. Please make checks payable to:

Anne Arundel County Public Schools

The check or money order should have the name of the student printed on it. Checks returned for insufficient funds may result in the student's withdrawal from school. A \$35 processing fee will be charged for returned checks.

Requests for refunds must be referred to the Principal of the Evening High School Program. No refunds will be made after the first class meeting. Refunds will be made if a class is cancelled due to low enrollment.
