

CREATE your way up.

Apex Arts overview

A program that's **GREAT** than the sum of its arts.

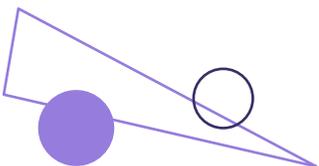

At Apex Arts, we engage our students with an art focused curriculum that goes beyond honing a natural ability. It's a top-tier creative education that fortifies raw artistic talent with knowledge and support designed to help students make an impact in the real world.

Our administrative staff consists of experts in education that are dedicated to cultivating young artists' potential. Their vision is realized through our outstanding teachers who work in partnership with accomplished artists to provide students with an unparalleled educational experience.

Apex Creative Writing overview

Expression. Connection. Direction.

The Apex Arts Creative Writing program focuses on an exploration into various writing techniques which allow for vast opportunities in self-expression, imaginative investigation, and application of skill. While building the foundations as writers, students will learn to strengthen their writing skills by studying and creating pieces of various genres including creative non-fiction, drama, poetry, fiction, current events, and publication. Students will also focus on the process of creating their work, learning and growing through their experiences in each project-based assessment.

Creative Writing focused curriculum

A creative spark lights a path of possibilities.

In Apex Creative Writing courses, students will study topics like:

- Literature: reading and analyzing
- Genre Studies
- Writing Technique
- Giving and receiving critical feedback through writing workshops.
- Submitting work to publications and contents
- Presenting your work in public: Coffee House readings, Poetry Slams, From Page to Stage, etc.

Apex+

It's only up from here.

Apex+ presents students with the unique opportunity to further learning and explore varying disciplines. This program also offers students the ability to learn even more from our partner teaching artists. Example classes include:

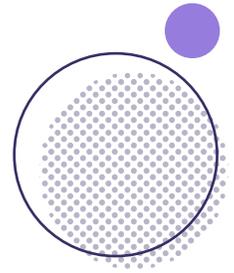

- An Atlas of Imaginary Lands
- Inspired Songwriting
- Poetry Slam
- Artful Blogger
- The Art of Telling a Story
- Playwriting Workshop

Professional Arts Experiences

Inspired outings. Insightful outcomes.

We understand broadening students' creative vision starts by keeping them inspired. By exploring fresh perspectives outside of the Apex Arts ecosystem, our students gain insights that expand their outlooks. Destinations include:

- Planet Word
- Poetry Out Loud: MSAC
- ArtFarm Annapolis
- Folger Library
- Public Poetry Installation: Downtown Annapolis
- Scholastic Writing Contest

Audition information

Make a You Turn.

All Apex Arts applicants must complete an audition to be considered for eligibility. The Apex Creative Writing audition requires:

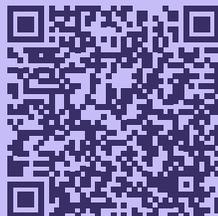

- Portfolio of two (2) written works from different genres.
- Writing Prompt at the audition.
- Short interview to discuss interest in the program and Prime.

See the audition guide for more details.
