Please adhere to the following guidelines:

- All vehicles will enter the bus loop at the intersection of Hammond's Lane and Upland Dr. *Please see the aerial map.*
- Proceed through the bus loop by following staff directions for dropping off items.
  - *Drop off items may include: textbooks, media books, instruments, dance costumes & any other school property, except AACPS chromebooks. Students will keep chromebooks until a later date. Please make sure items are labeled with your students name and grade level.*
- Students needing to enter the building will do so at the secondary entrance. Parents should continue on to the Senior Center for Student Pick Up. *Please see the aerial map.*
  - *Students may need to enter the building for these reasons: to collect items left in p.e. lockers, art work, instruments, etc.*

- If entering the building, students **may not** be accompanied by anyone, must wear a mask at all times, and may not use restroom facilities or water fountains.
- Students must follow the directions of adults at all times or they may be asked to leave without retrieving their items.
- BPMS will not have bins or bags, therefore students should bring their own to carry items retrieved from the building.
- **All 8th Grade Students are encouraged to come on June 17th to pick up your Yard Sign and T-Shirt gifted to you by Brooklyn Park Middle School.**

If you have an extenuating circumstance that prevents you from picking up items on the designated days above, please email your grade level counselor.

Thank You,
