Message from the Principal...

Dear Parents & Guardians,

Central Middle School wishes to thank all of those who have given generously to the Kids Helping Kids food drive. We do not have the totals but will pass this information along in the next newsletter. The students have responded well to the drive. Many thanks to NJHS members who helped with the counting and collection of monies and food items. The advisory with the most money and items combined will be rewarded. One of our major fundraisers is our annual Faculty vs. Students basketball game. We filled SRHS's gym and a very exciting and competitive game was enjoyed with students winning 63- 62 in overtime. This was the student second straight win over our very talented faculty team.

American Education Week is November 12-16. Please stop by and see your students at work in their classrooms. Due to the limitation on parking, I have designated the following days for each grade: sixth grade Monday, seventh grade Tuesday, and eighth grade Wednesday. If you cannot make it on your grade's assigned day, you may stop by on Thursday. You will be very pleased with what you see here at Central Middle. All of us are looking forward to your visit.

The first marking period ends on November 9. The report cards will be distributed on Tuesday, November 20. The students made an excellent transition from summer to school with most of the students doing very well. Some students who got off to a slow start are encouraged to take advantage of the extra support programs.

Student Help Day Sessions are available on either Tuesday or Thursday. We are requiring some students to stay so that they can be re-taught some standards they have not mastered. The participation in these sessions is very important. Our teachers will be contacting parents if they need your child to stay. Students who wish to stay must notify their teacher ahead of time. All students need parent permission to stay after school. We have a form that teachers use informing parents when teachers are requesting their child to stay for help day. Any student who receives a D or lower in any subject should be staying after school one or both of these days. Parents are requested to send a note in by Tuesday to let teachers know their child has permission.

In addition to these help sessions, we have also scheduled students in their **Tuesday, Wednesday, Thursday advisory sessions** so that every Central Middle School student can receive intervention that fits their academic needs. The teachers and administrators are meeting every other week to discuss student achievement. When students have not met standards, appropriate strategies are selected to increase student achievement through re-teaching intervention advisories or help sessions. The South River High School students have joined us again this year to assist us in providing small group or one on one tutoring. Some tutors are coming in to help during sixth period and work in the classroom with our students. **THANK YOU, SOUTH RIVER!**

Please remember that we are all here to assist you and your child. There are many resources available to your child here at Central Middle and we encourage you to take advantage of in-school resources. The counselors, administrators, nurses, media specialist, and teacher teams are all here to help. In addition to these human resources there are internet resources such as, Blackboard, Google Classroom, grade level emails, and Parent Connect. Thank you for your support.

In December, Central Middle School's music department will feature their very talented Choral and Instrumental music students in their annual Winter Concerts. Don't miss their performances. They are awesome! **Save the dates: December 5 the choral students will perform and on December 11 our Instrumental students will perform.**

On November 22, we celebrate Thanksgiving Day. The faculty and Staff at Central Middle thank all of our parents for their support. We are truly grateful to service this community. Happy Thanksgiving!

Gratefully,

Millie Beall
Principal

Video Camera System/V-Soft School Security

CMS is equipped with a video camera system. It covers selected interior and exterior public portions of the building/grounds.

It is NOT monitored constantly, but is monitored during emergency situations. During events when the safety or security of students may be in question, authorized personnel from local, state or federal police or fire emergency units may be given access to view images projected on the camera system. If you have any questions about the system, you should call the supervisor of School Security at 410-222-5083.

V-Soft by Raptor Ware.....

When you visit our school you will be asked to present a government/state issued photo ID (i.e Driver's License) to a staff person in the school office. The ID will be scanned and the following information collected: your photo, name and date of birth. This information will be utilized to check you in, create an ID badge, and compare your information against sexual offender databases throughout the county.

If your name appears on the list or you refuse to allow the use of your ID, you will NOT be allowed access to the school. You will also be asked to check out with the office upon leaving. The information will not be shared outside of the school and is kept on a secure server. Your assistance in keeping students safe is appreciated.

All Parents and Visitors must have a government issued ID in hand upon entrance to our building.

NO exceptions!

Thank you for your help in keeping Central Middle School safe.

Book Bag Policy

Our Book bag policy is as follows:

- ⇒ Students may use book bags to carry materials to and from school
- ⇒ Students may NOT carry book bags during the school day
- ⇒ Students will have access to their lockers at the start and end of the school day

and at lunchtime
This policy was designed to maximize your child's educational experience at Central Middle in that:

- * Complies with medical findings that carrying heavy book bags can permanently injure a child or interfere with his/her physical development
- * Reduces the amount of materials being carried by

- our students, reducing the opportunity for injuries
- * Assists students in developing organizational skills and helps students become more responsible for planning their academic day
- * Minimizes students' capacity to bring inappropriate items to school

Lockers

Locks must be purchased from Central Middle School for \$5.00

Students will use the same lock for the years he/she is a student at CMS.

The school will not assume responsibility for stolen items

Students should not share lockers!

Students are responsible for the contents of their lockers.

Only school related items and outerwear should be stored in lockers.

Administrators have the authority to search lockers at any time

if they have probable cause.

Though every effort is made to maintain locker security, students are encouraged NOT to store valuables in them.

Newsletters

Newsletters are posted on the AACPS website the first of every month.

Attendance at Central Middle

Anne Arundel County Public Schools has an attendance tracking system for all middle schools. Attendance is taken for each student for every period of the day through the county's student data system. Hopefully, the following information will be helpful to parents.

Parents will receive phone calls from the Anne Arundel County Public School system (Connect ED) each morning around 9:00 a.m. and in the evenings around 6:00 p.m. every time that their student is recorded as being absent- either all day OR just for one period during the day. A tardy message is also sent out via Connect Ed whether there is an unexcused tardy to school or an unexpected tardy to class. Parents can do the following to check on their child's attendance when they receive phone calls from Connect Ed.

"We believe everyone deserves a safe, supportive, and orderly learning environment."

Ask your child if perhaps they were late to class or in the guidance office or health room- If the period was coded by the teacher as an absence, that code can be changed to an excused tardy to class if the student had a pass.

If you have a Parent Connect account, you can log in to see your child's attendance for the day. You will see a code for each period by holding the cursor over the attendance icons. Parent Connect will also let you see tardies. Then:

Touch base with the teacher when you see an unexcused absence for a period and your child isn't sure why they were marked absent. If a correction needs to be made, the teacher will contact the attendance secretary "Tardy to class" questions should be addressed by the teacher first.

According to the Anne Arundel County Board of Education, children who are absent six or more days of school per semester regardless of the cause, are considered 'excessively absent'. We are always willing to work with parents and students to address issues which impact your child's attendance.

Make sure that when your child is absent, you send in a note to the student's first period teacher explaining the absence(s) OR the student may bring their note to the Main Office. Any absence due to illness of more than 5 days requires a doctor's note. Vacations during the school year are considered unexcused absences under Maryland state law and Anne Arundel County Public Schools.

TRANSPORTATION:

Bus Riders, Bike Riders, Car Riders and Walkers

Cobras Striking Success

Parents, teachers, administrators, bus drivers and students all need to work together to ensure a safe arrival and departure for everyone each day.

BUS RIDERS: You are expected to board the bus at **your** designated bus stop. Please be **on time** each day. While on the bus, all school rules are in effect. **We expect each student to behave well so that bus drivers can pay attention to their driving.** Students who cannot comply may have the privilege of bus transportation taken away.

Teachers will review bus behavior standards written in the “Student Handbook” during the first week of school.

Changes in bus transportation arrangements can be made only by filling out an **Exceptional Transportation Request** form, available in the main office. Where possible, we ask that this form be submitted **at least three days before** the change is to take place. **Emergency** situations will be handled on an individual basis. All requests are subject to verification prior to final approval by the Supervisor of Transportation

Types of requests that will be approved include long-term child care arrangements, medical requests. Requests for transportation to athletic practices, doctor appointments, employment and visits to friends’ houses will be denied as per Board of Education policy.

PARKING: Our parking lot spaces are for staff and visitors to Central Middle. Any other cars parked in our areas are subject to being towed.

STUDENT DROP-OFF AND PICK-UP: Please honor the “Do Not Enter” signs leading into the main driveway in front of the school. Drop off your children in the morning by pulling into the parking lot and proceeding to the area opposite the crosswalk (between the two handicapped parking signs).

CAR RIDERS, BIKE RIDERS, AND WALKERS: Car riders, bike riders, and walkers report to the cafeteria after the 2:50 bell. They are to remain there until the buses depart. **This is a safety issue** for both students and parents. Buses pulling into their slots can NOT see students coming out from behind other parked buses.

If your student feels ill during the school day, please let them know to report to the Health Room (located near the main office). The Health Room staff will assess the student and then call a parent.

Students are not allowed to use their cell phones in the classroom for texting or any other purpose. After the second offense, the phone will be held for a parent to pick it up from the office.
