Theatre Company/Drama Club

CBMS is now offering two opportunities for those students who are interested in being a part of the theatre arts. First, participation in our musical production would require an audition and is open to everyone, however being cast is not always guaranteed. The production takes place after school and requires commitment beyond the normal hours of after school activities. Make sure to ask for an audition packet if you are interested.

If you're itching to get behind the scenes or learn more about the theatre - join the Drama Club! We will meet during after school activities on Thursdays once rehearsals have begun and continue throughout the year. There you can either be a part of the stage crew, who will work on the props and costumes for our production, or work on Drama techniques to prepare for future productions. All are welcome!!
