**Magnet Program Links:
Informational Nights and
Magnet Videos**

In order to complete the Magnet applications, fifth- and eighth-grade students will need their SIF (lunch number) and the password they use at school to access computers. Last year, Magnet programs had over 5,000 applications submitted, many which required password resets. Families are encouraged to sign up for and reset their own passwords.

For your convenience, all six links have been placed below.
