

LINDALE MIDDLE SCHOOL

CLUBS & EXTRA CURRICULAR ACTIVITIES

Extracurricular activities are an important part of Lindale's school program. These activities encourage students to explore other areas of interest in an informal setting. We encourage all students to participate in at least one club or activity.

Most clubs will meet the entire school year. It is important to listen to announcements to find out when and where clubs are meeting. Frequently, intramurals require that students sign up with their PE teachers. Students are encouraged to listen carefully to announcements made in PE and on LTV. Extra-Curricular and Club days are subject to change.

Activity buses are available on Tuesdays and Thursdays throughout the school year. Activities end at 4:00 and buses usually leave around 4:05. Students who stay after any other day MUST make their own transportation arrangements. For safety reasons, we ask parents who pick up their child on activity days to use the student drop-off area located at the traffic light on Andover Road. Do not park in front of the school.

All students who ride an activity bus MUST have a pass from their teacher. Activity buses have different routes than our other buses. It is important that students know their activity bus number when they stay after school. **Middle school activity buses will run starting Tuesday, September 24, 2019. The PBIS Melting Pot will take place on Thursday September 26, students must sign up for the melting pot in advisory ahead of time. Clubs will officially start Tuesday October 1.**

ACADEMIC CLUBS

CLUB/ORGANIZATION	DAYS/LOCATION	ADVISOR/CONTACT INFO.
<p>AVID After Hours AVID students will be provided access to technology, guidance and supplies to support them in their classes. Students participate in a community service project.</p>	<p>2nd/4th Thursday Room C171</p> <p>Start Thursday, September 26, 2019</p>	<p>Menefee pmenefee@aacps.org</p>
<p>Computer Club Expose students to computer programming. Over the course of the year the students will write programs to solve a number of problems. The club will have both opportunities for new students and advanced programming for returning students from last year's club. The fact that each week will build on results from the previous weeks means that regular attendance is important for the students to benefit from and enjoy the Club.</p>	<p>Tuesday Overman Lab</p>	<p>Ed Lawhon 410-849-2116 kandelawhon@verizon.net</p>
<p>National Junior Honor Society NJHS promotes the qualities of scholarship, service, character, and citizenship. Students complete community service projects. NJHS is by invitation and has an application process and requires an acceptable GPA to join.</p>	<p>Every other Thursday B125</p>	<p>Kane ekkane@aacps.org</p>

ATHLETICS

CLUB/ORGANIZATION	DAYS/LOCATION	ADVISOR/CONTACT INFO.
<p>CRA Club The “CRA” club stands for character, academics, and responsibility and is geared towards 8th graders who want to be a part of the 8th grade basketball team. Besides sports, there is a focus on using basketball to grow in academic performance, character, and leadership.</p>	<p>Tuesday Gym</p>	<p>Stielper sstielper@aacps.org Harris caharris@aacps.org</p>
<p>Intramurals Bowling, Bocce, Softball, Flag Football, Soccer, Basketball, Volleyball. <p>PBIS By invitation only, students will work to develop school incentives to create a positive school culture.</p>	<p>Thursday B208</p>	<p>Turk grturk@aacps.org</p>
<p>Recycle Club We will enjoy fun-filled afternoons sharing in making</p>	<p>Tuesday B221</p>	<p>Wartell bwartell@aacps.org</p>

our school more eco-friendly and being a GREEN school by monitoring the amount of recycling done in each class. We will also conduct class competitions to encourage full school wide participation in keeping our school and environment GREEN!		
Stage Band Student musicians will have the opportunity to perform Jazz music at a variety of venues.	Friday Mornings 7:00 AM	Dixon bmdixon@aacps.org
Student Government Association The SGA provides the student body with a voice in school affairs. SGA is open to the student body.	Every other Tuesdays B227	Noreiga lnoreiga@aacps.org
Wellness, Yoga, & Mindfulness Students will step back from academics, technology, and social pressures, to focus on themselves. Yoga and meditation will serve as one way for students to get in touch with their feelings, while promoting positivity and reducing negativity. Students will also consciously work on building healthy life habits and relationships.	Tuesdays C141	Ingrid Hanson ihanson@aacps.org
Yearbook Students will produce the 2018-2019 Lindale Middle School Yearbook. Students will be responsible for engaging with online yearbook software in addition to attending after school events with the teacher to take photos.	Alternating Thursdays Room C236	Brittany Kirkner bkirkner@aacps.org

SERVICE CLUBS

CLUB/ORGANIZATION	DAYS/LOCATION	ADVISOR/CONTACT INFO.
-------------------	---------------	-----------------------

<p>Backpack Buddies</p> <p>Students will make community connections for donations of non-perishable food items. The students will be using technology for letter writing, searching for local businesses and community agencies to seek support for the program. Student will meet the local agencies and businesses to understand the full circle of helping others and the involvement that is needed. Students will also be packaging up weekend meals for those in need.</p>	<p>Tuesday C167/Pantry</p>	<p>Spano tspano@aacps.org</p>
<p>Garden Club</p> <p>This year's focus will be getting to know your own backyard and how to create gardens that support the natural environment, local wildlife, as well as adding a bit of color to green spaces. Some topics are pre-planned and other will develop as students express and interest in specific areas of gardening. Topics may include: What lives here - exploration of insect, animal, and plant life in central MD MD eco-systems - gardening and the environmental impact Soil basics - testing/composition, improving the soil, quality of products on the market Native plants - importance to sustaining our local environment Environmentally friendly pest control Garden design for the backyard</p>	<p>Every Other Thursday</p>	<p>Amana Barnes abarnes@aacps.org</p>

CLUB/ORGANIZATION	DAYS/LOCATION	ADVISOR/CONTACT INFO.
Bio Chem	Thursday B224	Engl mengl@aacps.org
Project LIT Book Club for Grades 6-8 A monthly after school club to talk about books, play trivia, and eat snacks.	2nd Thursday Media Center	Clouse sclouse@aacps.org
Project LIT Book Club for 8th Grade Only A monthly after school club to talk about books, play trivia, and eat snacks.	4th Thursday Media Center	Jarrell jjjarrell@aacps.org
The Lynx Writing Club is open to Lindale Middle School students interested in writing poetry, prose, plays, song lyrics, graphic novels, and other genres. The purpose of the Creative Writing Club is to provide a positive and productive atmosphere for developing student writers to integrate, learn, and grow.	1st and 3rd Thursday Media Center	Jarrell jjjarrell@aacps.org
Girls 10 Club Started as a Chagemaker project and will continue to be run by 8th grade STEM girls. This club provides a safe space for girls to socialize, learn about each other, engage in a positive mindset, and decompress from social pressures. Parents must sign a permission slip for their child to participate. Limit is 30 students.	Every other Tuesday B227	Noreiga lnoreiga@aacps.org
Changemaker	Every other Tuesday	Mauro

<p>8th grade STEM students have time to collaborate and work on their Changemaker projects</p>	<p>STEM Lab Begins November 5</p>	<p>pmauro@aacps.org</p>
<p>Forensics STEM seniors at NCHS have created activities for students to solve a fictional crime by engaging in various tools of forensic analysis each week.</p>	<p>Thursday C215 Starts October 17</p>	<p>Barton hthomas-barton@aacps.org</p>
