Lindale Highlights

Congratulations to 8th grade Social Studies teacher, Ms. Riesett, and Advocate, Mr. Stielper for being awarded this week's MVP. Thank you for your dedication to Lindale, our students, and our families.

Perfect Attendance- 180 students earned perfect attendance 1st semester. Lindale is proud of our students and want all students to be successful.

Reminders

CELL PHONES!

Please review both the uniform policy and the cell phone policy with your students. Students should have their phone locked in their assigned locker during the school hours.

Students are expected to wear uniforms and safe shoes to school, daily. Jackets are not permitted in school.

Please adhere to the detailed uniform policy of Lindale Middle School. See our website for details. <https://www.aacps.org/Page/3826>

ATTENDANCE every day to school is important.

A missed school day is a lost opportunity for students to learn.

Research states that any absence, whether excused or not, denies students the opportunity to learn in accordance with the school's instructional program.

Have a great week!
