Dear Families,

I hope everyone found time to connect with family and friends over the fall break. We are grateful for our students, community and wonderful faculty and staff members. We are blessed to partner with caring, kind and thoughtful people.

I am grateful for our amazing PTSO who sponsored a successful Principal's Honor Roll Breakfast this morning. I also, appreciate the families who were able to attend and help us celebrate their student.

We have many highlights attached please take the time to review the great teaching and learning taking place in our classrooms!

Well done to our Science Department and to all the students who completed their science project, I know it was a challenge at times, but you did it! Congrats to our students who decided to enter the school Science Fair.

Classroom Highlights

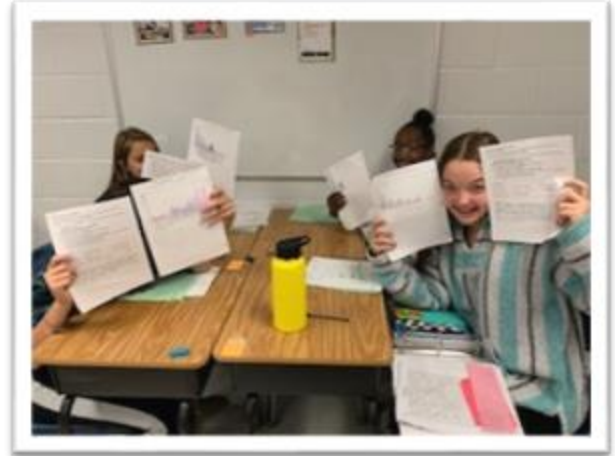

6th Grade Mariners having some board game fun! Students who had no tardies for 1st Marking Period earned outdoor time, movie time, board games and reading/drawing during 6th period!

7th grade science gallery walk: The students did peer evaluations and positive Post-its as they viewed science fair projects.

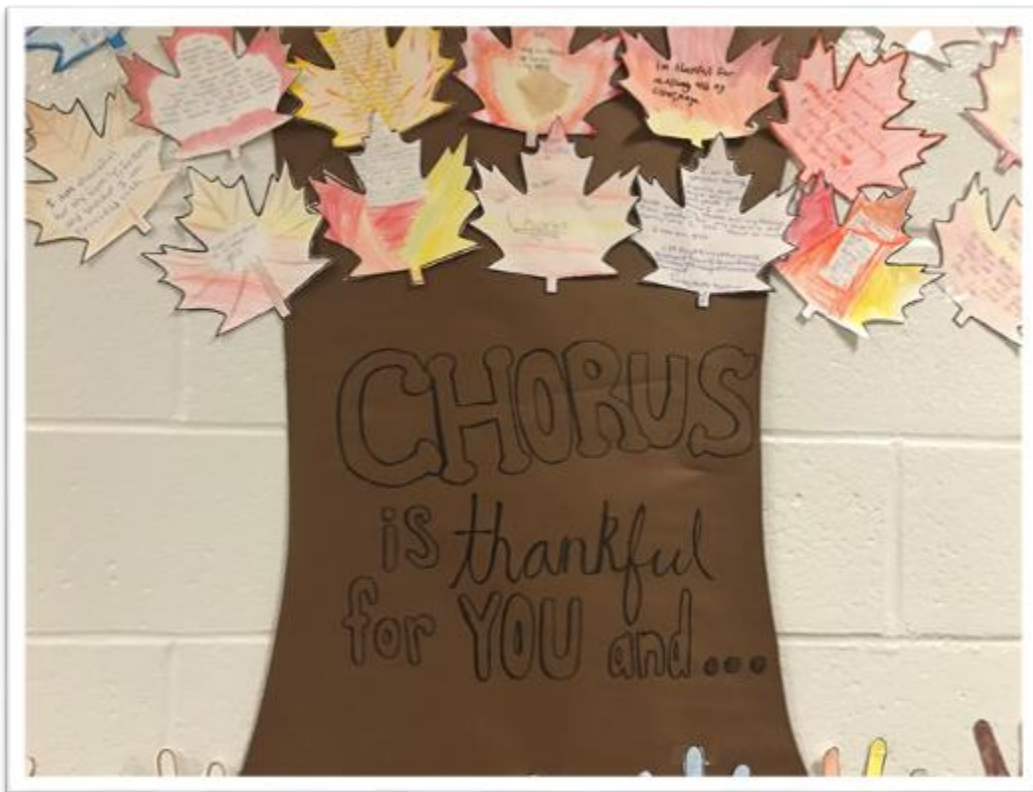

Classroom Highlights

Students in Srta. Johnston's 6th period class working on a bar graph and a paragraph explaining the results of a survey they took on favorite pastimes. They compared/contrasted popular activities among girls and boys and then popular activities among the class as a whole.

Classroom Highlights

The Chorus was tasked in creating a Thankful Tree. The students were asked to write/draw who or what they are thankful for this Thanksgiving. The outcome was a beautiful tree full of heartfelt messages for friends, family, pets, teachers and the school.

Congratulations to the 2019-2020 Sea Perch Team!

Our first meeting will be December
3rd in room 220 after school.
