

MAGOTHY RIVER MIDDLE SCHOOL'S PARENT WEEKLY UPDATE

MRMS SPOTLIGHT

Ms. Burkard's Class was recognized at the SPCA for their donation. They raised \$148.00 from their dog bone fundraiser!

Dear Families,

Our kindness club created an interactive bulletin board to remind our MRMS students, faculty and staff that "YOU MATTER"! Please see the attached photo as well as the PowerPoint slides created by our School Counseling department.

A message from our Assistant Principals

Please remember safety is our number one concern and we need your assistance. Here are a few reminders regarding the bus lanes.

- **Do not pull into the bus lanes to drop off a child in the morning before 9:30 am**
- **Do not pull into the bus lanes on Tuesday/Thursday afternoons before 5 pm**
- **Pickup for after-school activities is in the parking lot.**

Who Should Attend?

All prospective AVID students and parents are welcome to attend this event. You will have the opportunity to meet the AVID teachers in our school.

We will discuss the program, its benefits, and recruitment. Time will also be allotted for questions.

What is AVID?

AVID is a national program offered in grades 6-12 in Anne Arundel County. This program prepares students in the academic middle for college and career readiness. AVID students are students who are capable of completing a college-prep curriculum but are falling short of their potential. The core component is the AVID elective, which supports students as they tackle the most rigorous classes. AVID's teaching strategies, curriculum and trainings are not only used in the AVID elective class, but by subject area teachers school-wide.

¿Qué es AVID?

para la Universidad y la carrera. Los estudiantes de AVID son alumnos que son capaces de completar un plan de estudios de preparación universitaria, pero están cayendo por debajo de su potencial. El componente principal es la clase de AVID. AVID apoya a los estudiantes mientras abordan los cursos rigurosos. Las estrategias de enseñanza de AVID, el currículo, y los entrenamientos no sólo se utilizan en la clase de AVID, sino por todas las clases.
