

# MAGOTHY RIVER MIDDLE SCHOOL'S PARENT WEEKLY UPDATE

## MRMS SPOTLIGHT

Did you know that the world's largest toilet-paper pyramid was made up of 25,585 rolls? The toilet-paper pyramid was built in Appleton, north of Milwaukee – in which state? Many of our geography buffs knew the answer to this question when they competed in the 2020 Magothy River GeoBee last month. This year's competition was intense with the final round coming down to three contestants: 8<sup>th</sup> graders Asher Williams and James Smack and 7<sup>th</sup> grader John Bosanko. After battling it out for several rounds John Bosanko was recognized as our winner!

John took the National Geographic Geography Assessment in order to qualify for the state competition.

A big thank you to Mr. Britton for MC-ing and Ms. Senft for organizing this event.

We are proud of all the students who participated in this school-wide competition!

Dear Families,

Please mark your calendars for the following upcoming family friendly fun events:

1. MRMS Night: Donnelly's Dockside, Feb 12 from 5-10
2. Talent Show: Feb 27 @ 6:00pm
3. Harlem Wizards B-ball Game: March 3 @ 6:30pm

We understand students may forget their lunch and therefore parents will need to drop something off during lunch time. We certainly support this; however we can't allow parents to feed other students due to allergy concerns. Please do not bring in food for other children. We are also not in support of deliveries from Door Dash or other delivery services.

We look forward to seeing our 7th graders showing off their dance moves this week at the dance. Remember to turn in your permission slips.

Lastly, remember to wear your orange for Unity Day on Wednesday, February 12. In support of Unity Day our MRMS students will be eating lunch with our neighbors at SRMS. Yes, the wall will be coming down so our students can interact with one another.

## Kindness Club Update!

- Wow! A dozen awesome students met this week to spread kindness both here at Magothy and for our greater community!
- The students bagged 22 healthy snack packs for the Winter Relief Homeless Shelter serving Anne Arundel County.
- They also helped prep the "YOU MATTER" wooden tokens & brainstormed how to best distribute these. More details to follow soon!
- Our next Meeting will be Wednesday, February 19th during Study Hall in Room 205. All are welcome!

No act of kindness,  
no matter how small  
ever goes unnoticed.

Snack packs for Winter Relief bagged  
and "YOU MATTER" wooden tokens  
ready to go!

AVID students participated in a silent relational capacity activity. They used frosting, pretzels, marshmallows, candy canes and chocolate chips to create a winter scene.
