Dear Families,

Kindness Club Update

The next kindness club meeting has been changed to Wednesday, Feb. 5th during Study Hall immediately after morning announcements & attendance in Room 205! All are welcome!

Thank you to each of the parent volunteers who hosted such an amazing Spaghetti Dinner to support our awesome music program! I heard our musicians were magnificent!

Please mark your calendars for the following upcoming family friendly fun events:
MRMS Night: Donnelly's Dockside, Feb 12 from 5-10
Talent Show: Feb 27 @ 6:00pm
Harlem Wizards B-ball Game: March 3 @ 6:30pm

I can't believe we just completed the second marking period; we are now halfway through the school year. I always feel the second half of the year is literally a sprint to the finish line. We are not only focused on this school year, but we begin making plans for next school year. Parents please take the time to review the information counselors have attached. Our students will be picking their classes for next year within a few weeks. Please review their course selection sheets thoroughly because the school schedule is built based on their choices. If you have questions or need assistance, please call our school counseling office.

Inquiry and Collaboration in 7th Grade AVID

AVID Information Night: Magothy River Middle and Severn River Middle School

Thursday, February 6, 2020

6:30 pm

Magothy River's Marlin Hall

Who Should Attend?

All prospective AVID students and parents are welcome to attend this event. You will have the opportunity to meet the AVID teachers in our school.

We will discuss the program, its benefits, and recruitment. Time will also be allotted for questions.

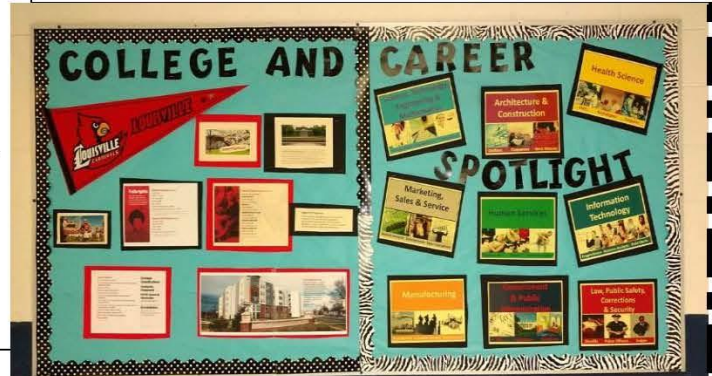

Do You Have Questions About AVID?

Gina Glennon- gglennon@aacps.org

Magothy River Middle School

Stacy Kearns- skearns@aacps.org

Severn River Middle School

What is AVID?

AVID is a national program offered in grades 6-12 in Anne Arundel County. This program prepares students in the academic middle for college and career readiness. AVID students are students who are capable of completing a college-prep curriculum but are falling short of their potential. The core component is the AVID elective, which supports students as they tackle the most rigorous classes. AVID's teaching strategies, curriculum and trainings are not only used in the AVID elective class, but by subject area teachers school-wide.

Registration Information Night for Parents of 8th Graders

Tuesday, February 4th
