Message from the Principal...

Good day Parents and Guardians! I hope everyone had a wonderful Easter and was able to enjoy the day despite the difficulties we are currently facing.

Beginning 4/14/20, teachers will be holding daily Office Hours and offering daily online Learning Support time for students. This will be the first week that teachers will be collecting, grading, and counting assignments. The daily office hours and learning support hours will be set by the teacher and posted inside your student's Google Classroom. Please use this link

https://www.aacps.org/cms/lib/MD02215556/Centricity/Domain/1376/MMS_GOOGLE%20Classrooms_4-3-20.pdf to find all of our Meade Middle teachers' Google classroom codes, office hours, and instructional hours.

AACPS eLearning – learning online - will not run like a typical school day. Students should be engaged in core learning for a few hours each day. The number of hours will be flexible based on the grade level of your student with the older high school student most likely spending more time in independent learning than younger students. Your student's physical, social-emotional and learning needs and your family's needs will also play a role in how you and your family decide to plan the "school day" for your child(ren).

As we move into fourth marking period and one of e-learning, it is important to reestablish routine and structures for our students. An example of a schedule for Middle School students can be found here: <https://www.aacps.org/site/handlers/filedownload.ashx?moduleinstanceid=26913&dataid=58440&FileName=middleschool3.pdf> However, as stated previously, each family should create a schedule and routine that works best for them.

Again, I thank all of you for your patience and understanding. None of us have ever experienced a world-wide pandemic such as this. We are navigating uncharted waters and doing the best we can each day. I am confident we WILL succeed, because we ARE Meade!

As always, #WeAreBetterTogether,

Karla Steinbach,
Principal
