Troy Hermann, [thermann@aacps.org](mailto:thermann@aacps.org), 7<sup>th</sup> grade, 6<sup>th</sup> grade A-L

### December Dates

19- Chorus Performance-6:00 pm

23-1/1-Winter Break/Schools Closed

### Message from the Principal...

Good day families and guardians! Interims were sent home Friday, December 13<sup>th</sup> with our students. Please check in with them regarding their academic success. We offer Help Days on Tuesdays and Thursday after school. Sit down with your student and create a pathway to academic achievement.

Our String and Band students performed this Thursday, December 12<sup>th</sup>. With Mr. Cooper's guidance they put on an amazing show. Our Chorus students will perform next Thursday, December 19<sup>th</sup>. Mark your calendars to come enjoy music and good company. We hope to see you all in attendance.

Over 125 students stayed after school this past Thursday and attended our annual Holiday Bazaar. They had a great time using this Meade bucks to pay gifts for their families and friends. It was so much fun to watch their excitement as they shopped. A huge thank you to Ms. Brady and Mr. Anderson for organizing the event. A huge thank you to all our teachers for manning tables, wrapping gifts, and supporting our students as they shopped. This event is the perfect example of how "we are better together"!

Student basketball athletes from MacArthur Middle school traveled to Meade Middle this past Thursday as well. Our players put forth their best effort on the court. While they didn't walk away with a win, they demonstrated great skills and the love of the sport.

Our school building will be closed December 21<sup>st</sup> through January 1<sup>st</sup>. We hope everyone uses this time to enjoy family, friends, and fellowship.

As always, #WeAreBetterTogether,

Karla Steinbach, Principal

A huge congratulations to Mr. Cooper and our band and string students for an amazing performance. We are so proud of all of you!

We loved seeing our students give their best effort on the court for the MacArthur verses Meade basketball game.
