### Message from the Principal...

Good day Parents and Guardians! I can't believe it is February. This school year is progressing rapidly. Today is Groundhog Day. Apparently, Punxsutawney Phil did not see his shadow today, therefore predicting an early Spring for us.... I'm very interested to see what the weather brings us in the weeks coming.

Second marking period has ended. Some students have new Encore classes that were started on Friday. The halls were abuzz with excitement as students transitioned to new classes and meet new teachers and classmates. Report cards for second marking period will go home with all students on February 10<sup>th</sup>.

As we progress into third marking period it is important that students stay focused on their classes and academic work. For students to receive credit for a year long course they must earn a total of 240 points. Please take time to review your student's progress and academic success. Encourage them to attend Help Day on Tuesday and/or Thursday.

Remember, positive parent involvement improves student behavior, attendance, and positively affects student achievement.

As always, #WeAreBetterTogether,

Karla Steinbach,  
Principal

Our ACC students practice life skills such as receiving and counting money, preparing, and serving. They are #AACPSAwesome!
