January Dates

28/29-Two Hour Early Dismissal-end of 2nd marking period

30-Schools Closed for Students-Professional Development Day

31-Beginning of 3rd marking period

Message from the Principal...

Good day families and guardians! In order to be fully transparent, I want to share that we had an incident on Friday that disrupted school operations. Unfortunately, some students made poor choices and engaged in physical altercations. The police were called to assist. No students or staff were injured. I am disappointed with the events that occurred but am positive that we will overcome this incident and strive to greatness. Please be assured the issue has been addressed and we will continue to enforce procedures to do our best to ensure future incidents do not occur.

With that said, please take a moment and speak to your student about appropriate school behavior; including wearing appropriate school uniforms, transitioning to and from class quickly, and respecting ourselves and other. We are an academic institution dedicated to ensuring the success of all our scholars.

A reminder that second semesters ends on January 28th. January 28th and January 29th are two-hour early release days. January 30th students do not have school. This is a countywide teacher professional development workday.

Remember, positive parent involvement improves student behavior, attendance, and positively affects student achievement. I am positive that if we join and speak to our students about behaviors that do not support academic success, we will see a positive change.

As always, #WeAreBetterTogether,

Karla Steinbach, Principal

A huge congratulations to the fearless students who participated in the Polar Bear Plunge!

Anne Arundel County Public Schools
