### March Dates

16-27-State Mandated School Closure

### Message from the Principal...

Good day Parents and Guardians! As you are aware, Anne Arundel County Public Schools are closed March 16-March 27 in accordance with the state mandated two-week break. Anne Arundel County Public Schools understand the importance of keeping all students healthy and learning during this break. Please remind your student that they have access to ClassLink (from any device connected to the internet). All instructional applications and online materials will remain available.

Anne Arundel County Public Schools is working closely with the Anne Arundel County Department of Health (AACDOH) with regard to the Coronavirus (COVID-19). The AACDOH is, in turn, collaborating with the Maryland Department of Health and receiving guidance from the Centers for Disease Control and Prevention (CDC). Updated information can be found at this link: <https://www.aacps.org/coronavirus>

Anne Arundel County Public School is providing free breakfast, lunch, and dinner to children, ages 2-18, during this two-week break. There are no income or registration requirements. School Sites are open from Noon-12:30 p.m. All school sites are listed in the right-hand column. Additionally, AACPS has mobile curbside sites. Please following this link for locations and times: <http://aacpsschools.org/pressr/?p=5666>

I do want to take a moment and celebrate the amazing Student Led Conferences that occurred on March 10<sup>th</sup>. We are excited to see such involvement from our students and parents. Our students did a wonderful job leading their conferences and sharing important information with their families. We are so proud of each of them.

During this two-week closure a great way to stay connected is with AACPS' new mobile app. This app is free and is part of AACPS' ongoing commitment to communicate with AACPS families and those outside the school system, delivering the school's latest news, weather-related issues, events, push notifications and much, much more. The app can be used on smartphones and tablet devices running iOS or Android and can be downloaded from the Apple App Store and Google Play.

During this two-week closure, stay calm and reassure your student that all is well.

As always, #WeAreBetterTogether,

*Karla Steinbach,*  
Principal
