### March Dates

16-27-State Mandated School Closure

### Message from the Principal...

Good day Parents and Guardians! We are headed into week two of the state mandated two-week break. I hope all of you are staying healthy during this time. This has been quite the adjustment for me and my family. I can imagine it is an adjustment for all of us. Please let your student know I miss them all so very much! Much of the information I will share today is the same from last week. However, all of it is still important.

Anne Arundel County Public Schools understand the importance of keeping all students healthy and learning during this break. Please remind your student that they have access to ClassLink (from any device connected to the internet). All instructional applications and online materials will remain available. Additionally, for families who do not have access to internet and electronic devices, learning packets will be distributed at the school-based meals sites.

Additional meal sites have been added, with a total of 60 total sites. Children can go to any of the 37 school sites from noon to 12:30 p.m. Monday through Friday or the 23 additional mobile meals at the specified times. Children do not have to be eligible for free and reduced-price meals to pick up meals. Adults cannot accept meals on behalf of children who are not present. A complete list of meal sites is located on page 2 of this weeks Bulldog Blast.

Anne Arundel County Public Schools is working closely with the Anne Arundel County Department of Health (AACDOH) with regard to the Coronavirus (COVID-19). The AACDOH is, in turn, collaborating with the Maryland Department of Health and receiving guidance from the Centers for Disease Control and Prevention (CDC). Updated information can be found at this link: <https://www.aacps.org/coronavirus>

During this two-week closure a great way to stay connected is with AACPS' new mobile app. This app is free and is part of AACPS' ongoing commitment to communicate with AACPS families and those outside the school system, delivering the school's latest news, weather-related issues, events, push notifications and much, much more. The app can be used on smartphones and tablet devices running iOS or Android and can be downloaded from the Apple App Store and Google Play.

During this two-week closure, stay calm and reassure your student that all is well.

As always, #WeAreBetterTogether,

*Karla Steinbach,*

Principal

During this time away, our hope is for you to remain safe and healthy. AACPS has developed some instructional offerings for students who are able to use them during these next two weeks.

The above sites were designed by the AACPS Academics Team. Email your questions to [elearning@aacps.org](mailto:elearning@aacps.org)

The fourth Unity Day is scheduled for this Tuesday, March 24<sup>th</sup>. Encourage your student to join us in wearing **orange**, even while home. We can still represent kindness and standing up to bullying. Let's join together and embrace the mindsets of kindness, acceptance, and inclusion!!
