Message from the Principal...

Good day Parents and Guardians! I want to send a huge thank you to all the students, teachers, and staff who sent me videos and messages for Principal Appreciation day on Friday, May 1st. I absolutely loved receiving all of it! I am so thankful to have such a caring and supportive Meade Middle School and Community.

As I say each week, we all miss our students so very much. We look forward to being in the building with our students whenever it is safe to do so. Please take a moment and view this video you're your students: [Check this out!](#)

We are all so proud of our students who are working hard completing their work on Google Classroom. We appreciate all the support we have had from parents and guardians. We know that everyone is still working through this transition, but we hope that you have found a system working for you and your family and you are able to settle into some sort of routine.

Just a reminder that students will have one graded item per class per week. They are labeled "Gradebook" on Google classroom. Assignments are generally due on Sunday night at 10pm, except for Math assessments in Performance Matters. Each of those are due at 11:59 pm.

This week is Teacher Appreciation Week! If you have a moment, have your student send a note or an e-mail of thanks to their teachers. We truly have #AACPSAwesome teachers working at Meade Middle!

During this time things are anything but normal. As you focus on your families and staying healthy and safe draw strength from the words from Maya Angelou, "If you're always trying to be normal you will never know how amazing you can be".

As always, #WeAreBetterTogether,

Karla Steinbach,
Principal
