Message from the Principal...

Good day parents and guardians! 1st marking period ended this Friday, November 8th. An important message from Anne Arundel County Schools was sent out to parents and guardians stating: **due to technical issues associated with PowerSchool, the platform on which students take quarterly assessments, have prevented some teachers from entering end-of-marking-period assessment grades. To allow for all grades to be properly entered, report cards will be distributed on Friday, November 22, instead of Wednesday, November 20.**

Mark your calendars for the week of November 18th-22nd. We are celebrating American Education Week. We have lots of activities planned to celebrate our parents, guardians, and employees. We look forward to you all joining us!

We are excited to introduce this year's Our School, Our Future: Fall Giving Campaign! Your donations are an investment in the future of our students, our school, and our community. Donate online at www.aacps.org/fall to help fund future Meade Middle School events. Please feel free to contact Amanda Brady at albrady@aacps.org if you have any questions or suggestions on how to use our new funds.
