Message from the Principal...

Good day parents and guardians! We are excited that our clubs are starting this Thursday, October 17th. Please encourage your son or daughter to sign up. We are a large selection of clubs for our students to choose from.

We want to remind all of you that it is imperative to complete the free and reduced meal application for your student. October 16th is the LAST day that students can purchase a lunch with an application from last year. We do not want any of our students to miss out on a meal. Please go to this link: <https://frapps.horizonsolana.com/> and complete an online application if you haven't done so.

Interims went home last Monday, October 7th. I know that students have been working hard, and their teachers have been giving them grade sheets and some time for reflection. Parents, please know that students get grade sheets every week on Thursday mornings. Our students are asked to reflect, and to think about what teachers they need to see on Help Day in order to improve their grades. So, please make sure to check on Parent Connect and ask for your child' grade sheet and what their plan is for the week. Reports cards from the 1st marking period will be sent home on November 20th.

If we continue to work together, we can make sure that students are ready to learn and maximize their opportunities. Thank you for your continued support!

As always, #WeAreBetterTogether,

Karla Steinbach, Principal

On October 5th, dancers from all over the county auditioned for the AACPS Middle School Dance Ensemble. 8th grader, Alasiah McNeal, was accepted, and will be performing with Ensemble all year. She will also have an amazing opportunity to work with a teaching artist from Dance Theatre of Harlem in a few weeks and perform the piece at our county dance festivals! Way to go Alasiah!

October 15th and October 16th school is closed for students. Parent/Teacher conferences are on this date. We have drop in times (meaning you can come at any time to speak with your student's teachers) on October 15th, 4:00-7:00, and October 16th, 8:00-11:00. We hope to see you all!
