Message from the Principal...

Hello families of our Meade Middle School students! As I told you last week, tomorrow interims will be sent home with your student. Please check in with them regarding their academic success.

Please join our PTA! The mission of the PTA is to make every child's potential a reality by engaging and empowering families and communities to advocate for all children. We want all our families to be involved. An application is on page 2 of this Bulldog Blast.

October 15th and October 16th school is closed for students. Parent/Teacher conferences are on this date. We have drop in times (meaning you can come at anytime to speak with your student's teachers) on October 15th 4:00-7:00, and October 16th, 8:00-11:00. We hope to see you all!

We are excited to announce the addition of new staff members to our Meade Middle family. We welcome Mr. Schwebel as a special educator to our team. We also welcome Ms. Johnson. Ms. Johnson is teaching Science 7. She is highly skilled in the field of Science. She will be taking the place of Ms. M. Davis. Ms. Davis, who is certified in both Science and Math, is moving to teach Math 6. We are fortunate to have such dedicated individuals joining our teaching staff! I am confident you, like us, will support them during this transition.

As always, #WeAreBetterTogether,

Karla Steinbach, Principal

Remember: All parents/guardians of students in grades 1-12 will need to create a NEW Parent Portal account.

PowerSchool Parent Portal is a powerful, easy-to-use, secure communication tool connecting parents/guardians and schools. Using the PowerSchool student information system, the Parent Portal allows collaboration to improve student achievement.

Online access to grades, attendance, and assignments makes it easier for parents to monitor, identify, and accelerate students in grades 1 through 12 progress in real time. PowerSchool Parent Portal will allow parents/guardians with more than one child to access all their children at one time with one username and password.
