Federal Aid Impact Survey

On Tuesday, October 1, 2019, your child will bring home a Federal Impact Aid Survey form. Please assist us by filling out the information requested on the form and return it to Anne Arundel County Public Schools in the self-addressed, stamped envelope provided.

The U.S. Department of Education allows a multiple child form. AACPS has designed a form that will allow two children's names for your convenience. Should you have more than two children, please utilize a second form that you can either obtain from the school or download from the AACPS website at www.aacps.org. Also, please note that the complete address of the Parent/Guardian's Employer if they work on Federal Property, the complete address of the Federal Property on which they work, and each survey form must be signed and dated by the Parent/Guardian. The Federal Impact Aid Survey form for 2019-2020 will be available to download on September 30, 2019. We will also be using our Connect-Ed Automated Telephone Notification System to remind everyone about the significance of completing and returning this survey. The school system receives approximately \$2 million in funding from the Federal government in support of our children after the forms are processed.

Thank you in advance for your support and assistance. Should you have any questions regarding this information, please call Angie Smack in the Finance Office at 410-222-5200.

Message from the Principal...

Hello families of our Meade Middle School students! A friendly reminder that this Thursday, September 19th, is our Back to School Night from 6:00 to 8:00. We hope to see all our Meade Middle students and families in attendance. Our teachers are excited to meet families and share important information and dates.

Please note is message from our AACPS Communications Office: "Please be aware that school bus routes are reviewed daily and schedules are changed as appropriate. Please check the school bus schedules online at www.aacps.org/buses frequently so that you are aware of any changes."

It is important that families remember to complete the online process to receive free/reduced meals. The online process has proven to be faster and more accurate, is available in English and Spanish, and can be completed on a computer or smart phone at this location:
