Message from the Principal...

Hello families of our Meade Middle School students! Our Back to School Night was a smashing success! We were excited to see so many of our students and families in attendance. If you were unable to come and have questions, please e-mail that teacher. We are always here to help and answer.

Please note that October 1st is the last day students can eat a fee or reduced meal with an application from last year. Please make sure to complete the online process to receive free/reduced meals. The online process has proven to be faster and more accurate, is available in English and Spanish, and can be completed on a computer or smart phone at this location: <http://aacpschools.org/nutrition/apply-for-free-or-reduced-price-meals/> We will continue to provide this information in the Bulldog Blast until the October 1st date.

This year we are focusing on routines and structures in the classroom and nonacademic areas. We understand the importance of supporting an academic institution and ensuring our students are receiving the best education possible. Ask your student about a routine or structure that is new to them this year.

As always #WeAreBetterTogether

Sincerely,

Karla Steinbach, Principal

Federal Aid Impact Survey

On Tuesday, October 1, 2019, your child will bring home a Federal Impact Aid Survey form. Please assist us by filling out the information requested on the form and return it to Anne Arundel County Public Schools in the self-addressed, stamped envelope provided.

The U.S. Department of Education allows a multiple child form. AACPS has designed a form that will allow two children's names for your convenience. Should you have more than two children, please utilize a second form that you can either obtain from the school or download from the AACPS website at www.aacps.org. Also, please note that the complete address of the Parent/Guardian's Employer if they work on Federal Property, the complete address of the Federal Property on which they work, and each survey form must be signed and dated by the Parent/Guardian. The Federal Impact Aid Survey form for 2019-2020 will be available to download on September 30, 2019. We will also be using our Connect-Ed Automated Telephone Notification System to remind everyone about the significance of completing and returning this survey. The school system receives approximately \$2 million in funding from the Federal government in support of our children after the forms are processed.

Thank you in advance for your support and assistance. Should you have any questions regarding this information, please call Angie Smack in the Finance Office at 410-222-5200.
