

2020-21 Clubs and Activities Preview

Model UN

Google Meet Code: **uxffsee**

The Model UN Club is for students with an interest in world events. Student delegates will research, discuss, debate, & write about a topic that currently impacts a country. In the Spring we will participate in a simulated conference where Model UN Club delegates will present and defend their papers. This is a great experience for **STEM Changemakers**, and the club is open to grades 6, 7, & 8!

Arts & Literature Club

I tried

Explaining why I was so sad

But nothing would come out

That was when I realized

I didn't know why

Either. s.n.

In the Arts & Literature Club, we will read a piece of literature and create or find art that the literature inspires in us.

The art could be a an image you find or create, perhaps a song (which would have to be pre-approved before sharing), maybe you enjoy making 3D art like sculptures, If you are inspired to write something - like a poem or flash fiction you could do that as well.
