Bodkin, a treasure  
by the bay

Dear Bodkin Families,

December has arrived and we are almost halfway through the 2nd marking period. Our students are working hard. Please take some time to review your child's report card and celebrate all those successes and make some new marking period goals.

Memories are being made in every grade level from their creative turkey projects, Stone Soup experience, Harvest for the Hungry, Red Ribbon Week, Our Clear Shark H2O in-school field trips and so much more. Did you see all the turkey feathers on Bodkin's reading turkey? It was wonderful to see so many students taking the initiative to read for fun! The students had so much fun during their game reward for PBIS. It is wonderful to celebrate Respectful, Responsible and Ready to Learn behaviors. Ask your child about it. My favorite game was giant Jenga! I was so excited to see so many families visiting during American Education Week. Bodkin's community partnership is heart-warming. Our doors are always open!

As we enter one of the busiest months, we are excited to make some more memories. Please take some time to add some of our upcoming events to your calendar. Our chorus, band, and strings students have been preparing for their Winter concerts and these nights will put you in the holiday spirit. Math Night is an evening of family fun that you won't want to miss. Santa Saturday PTA event is this Saturday, December 3rd! We hope you can swing by between 9 and 1 for some holiday excitement. 24 Club and Board Game club are some new opportunities your intermediate students may enjoy. After the holidays a few more clubs will be offered. Don't forget to add those spirit days to your calendar too!

As always, if you ever have any questions, concerns, or shoutouts please reach out. Use this [link](#) to send a staff member a shoutout! Bodkin sure is a "Treasure by the Bay"!

# NOVEMBER Highlights

Gobble, Gobble, look at these beautiful turkeys created by students in Mrs. Sanner's class during Genius Hour! Students look forward to Friday afternoons and Genius Hour with a plethora of activities offered by teachers!

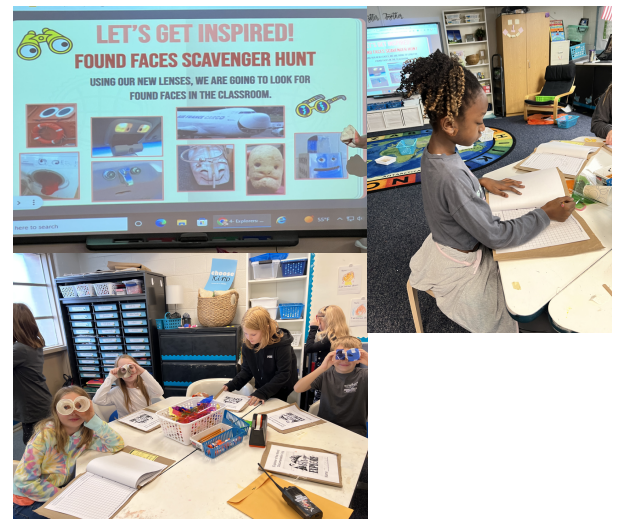

Growing mathematicians plus a PBIS celebration for each class for respectful, responsible, and ready to learn behaviors makes for great time for all! Special thanks to OEASA for our AAA grant and our PBIS Committee!

Thank you Veterans! We appreciate your dedicated service to our country.

We are so thankful for our bus drivers and crossing guard. The secretaries gave out gift baskets full of goodies to show Bodkin's appreciation for them.

Discovery, inspiration, and reflection are all seen Mrs. Major's Global Studies class as students change their perception to notice things in new and different ways.

# Reminders

## GREEN SCHOOL

Did you know Americans throw away enough garbage every day to fill 63,000 garbage trucks? That's enough garbage in a year, that if we lined the garbage trucks end to end they would reach halfway to the moon. That averages to about 7 pounds per person each day.

It has been rightly said that “Today’s children are tomorrow’s future.” As part of our Green School Initiatives, we are encouraging students to celebrate “Waste-Free Wednesday.” On this day each week, students who bring lunch are encouraged to pack a waste-free lunch. Our hopes are that students pack a lunch in reusable containers. Although we continue to recycle our lunch trash in the cafeteria, by using reusable containers our students will see the amount of trash that can be avoided. Our goal as a school will be to only fill 2 trash cans for ALL lunch periods.

In addition to a “Waste-Free” lunch, we have been composting in all grades. Gardening and kids are a natural mix and with our school’s various gardens, we would love to see our composted material used in our gardens. Our students will learn to recycle and reuse materials in an earth-friendly activity to enhance the beauty of our school. So, celebrate with us... Three cheers to “Waste-Free Wednesday!”

### ***Here are some staff favorites of reusable or compostable lunch items:***

EasyLunchboxes - Bento Snack Boxes - Reusable 4-Compartment Food Containers

Ziploc Food Storage Meal Prep Containers Reusable for Kitchen Organization

# What's Going On?

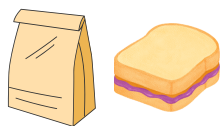

## TERRACYCLING NOW AT BODKIN

Our goal as a green school is to start Terracycling. TerraCycle is a company that specializes in hard-to-recycle waste like chip bags and food pouches. Brands partner and fund recycling programs with TerraCycle to provide customers with a free recycling program. Items that can be Terracycled are wrappers that have a shiny inside such as those from Rice Krispies Treats & various chips. What can we make out of terracycled material? Each individual item varies but generally, once items are collected, they are washed, shredded and turned into plastic pellets. The pellets can then be used to make moulded rigid plastic products also known as 'hard plastic' to make new products such as a bench or watering can. Our terracycle bins will be in the following locations:

- 1) outside of Mrs. Duffy's/Mrs. Beida's classrooms
- 2) outside of Mrs. McQuinn's/Mr. Grove's classrooms
- 3) at the far corner of Mrs. Harmon's classroom in front of the Kindergarten/5th grade hallways

**\*\*Locations in 2nd and Kindergarten coming soon\*\***

Thank you to Ms. Marian Collins who will be helping collect the recyclables for us!

## OUR LADY OF THE CHESAPEAKE WINTER RELIEF

We are teaming up with Our Lady of the Chesapeake again this year to support their Winter Relief Program from January 2-9! Students will be helping to create or pack bagged lunches for needy members of our community. More details will be available later in the month.

# COMMUNITY IMPACT PROJECT

The Girls On the Run are working on their COMMUNITY IMPACT PROJECT to finish up their Fall Season. Girls on the Run is a club of 3rd, 4th, and 5th grade girls that meets here at Bodkin. Girls on the Run reaches girls at a critical stage, strengthening their confidence at a time when society begins to tell them they can't. Underscoring the important connection between physical and emotional health, our program addresses the whole girl when she needs it the most. The girls not only run, but do activities to help build confidence. To end the season, the girls work on a community impact project to give back to others. They are asking the Bodkin Community to help by collecting items for Senior Dog Sanctuary as their Community Impact Project this year.

GOTR will be collecting items to deliver to the Senior Dog Sanctuary. A wish list of items needed for the senior dog sanctuary can be found below. The girls will be speaking to the students during each of the lunches to make them aware of the project. Boxes will be outside of the media center for collection. They will be collecting donations until December 16. Thank you for your help.

GIRLS ON THE RUN IS SO MUCH FUN!

We believe that every girl can embrace who she is, can define who she wants to be, can rise to any challenge, can change the world.  
Can.

## TRICK OR TRASH

To divert candy wrappers from ending up as pollution or in the landfill, Bodkin packed the Trick or Trash™ box to the top with candy wrappers. The box has been sent back to Rubicon and the candy wrappers collected through Trick or Trash™ are mailed to a recycling processor. The recycling processor sorts and cleans the candy wrappers before the material is shredded and pelletized. The plastic from the candy wrappers is used to create doggy bags for local animal shelters. Any paper or aluminum wrappers are recycled using traditional methods.

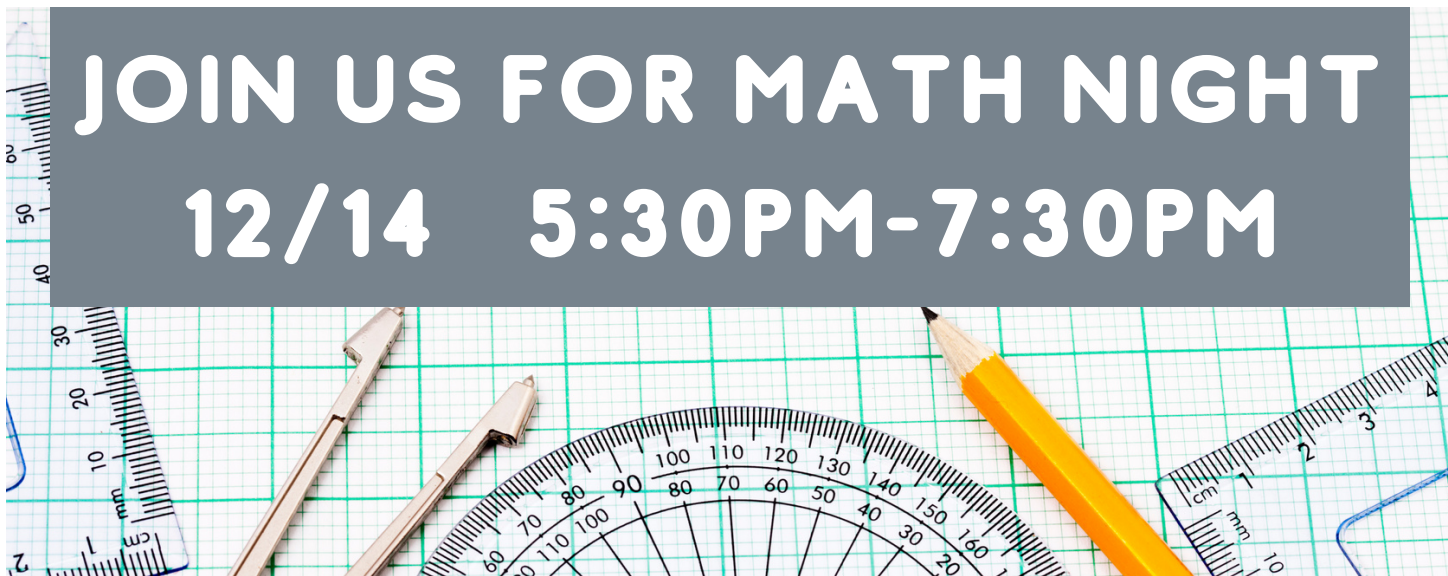

We have requested **another box** and it is here! Please continue to save your candy wrappers. Way to go, BES students and families! It's efforts like these that truly do help to keep our community clean and protect the Chesapeake Bay. We can all make a difference!

## CLASS PARTIES

Deck the halls, the winter holiday season has arrived! The classroom teacher and/or room parent will communicate to you any plans for holiday classroom activities. While there is a certain amount of fun planned for our students on December 22, we are still expecting children to use their best school behavior and be prepared for their regular classroom routines all day. This is also a reminder that Bodkin will be closed for the Winter Break from December 23 through January 1. School reopens for students and staff on Monday, January 2, 2023. Have a wonderfully special holiday season!

# AVID INFORMATION NIGHT

DECEMBER 7, 2022 6:00-7:00PM CBMS

Hello Parents/Guardians of Bodkin 5th grade students:

Before you know it, your child will be selecting their courses for Chesapeake Bay Middle School for the 2023-2024 school year! At CBMS we offer AVID, a program designed to provide academic instruction and support to students in the “middle to upper middle” to prepare them for eligibility to four-year colleges and universities. We are looking for students who have the potential for honors, AP, and IB work in high school, but need academic and emotional support paired with rigor. In order to take the AVID elective course, students must apply, interview, and be accepted into the AVID program. For more information about this exciting program, please join us at CBMS on December 7th, 2022, from 6:00-7:00pm in the B-side cafeteria. If you have any questions, please feel free to email me at: [kbean@aacps.org](mailto:kbean@aacps.org). We look forward to seeing all of you!

Thank you!

Mrs. Bean

## HOLIDAY TOY DRIVE

Make Yourself an Elf! Bodkin's Toy Drive runs from mid-November through December 16! If you and your child(ren) wish to participate, just send in a new toy(s) with your child to drop off in the main lobby. Again this year, in addition to the items listed below, we are collecting sports equipment (i.e. basketballs, footballs, soccer balls and other fun and sporty games), or items for the “older child.”

Other Needed items: cool new toys; popular board games; handheld computer type games; Legos; nerf items; LOL dolls; items for older children are especially needed; just ask your child – they can tell you best. All toys will go to assist families in our community and families in Anne Arundel County during this holiday season through our partnership with The Sharing Foundation in Anne Arundel County. To donate online, please visit their [site](#). Please contact Jenn Elsis with questions by [email](#) or phone: 410-437-0464.

## HARVEST FOR THE HUNGRY FOOD DRIVE

Thank you so much for all of your generous donations to our Harvest for the Hungry food drive this year! We collected \$395.80 in cash donations and 54 boxes of food. Your support helps Harvest for the Hungry to continue in their mission of providing meals for those in need.

## DR. BEDELL TO VISIT CHS

Residents across Anne Arundel County are invited to provide their thoughts on a variety of topics related to the school system at one of more than a dozen Listening and Learning Tour sessions beginning November 28, Superintendent of Schools Dr. Mark Bedell announced last month. Dr. Bedell will address participants at the outset of each session. His remarks will be followed by facilitated small-group sessions which will allow for conversation on a variety of topics. Responses will be recorded and posted

online after each session. “The intent of the small-group sessions is to allow those in attendance to talk about what they think our school system does well, areas in which we can improve, and things they would like to see as we move our school system forward,” Dr. Bedell said. “The input we receive will help shape our post-entry plan and, ultimately, the new Strategic Plan we will adopt later this winter.” There will be a session at CHS on 12/20/22. It will run from 6 to 8 p.m., with Dr. Bedell’s remarks beginning at 6:30 p.m.

## Santa Saturday!

This year's event will be comprised of:

2. Vendor Shopping–(Gym)– We'll have homemade and direct sales vendors –most from the Bodkin community as well as Bodkin Spirit Wear & Sticks. This is a great time to get a head start on your holiday shopping. Some vendors are cash only.
3. “To Go” Bake Sale– (Gym) 5th grade Promotion Committee will have goodies for a grab and go treat.
4. Santa– Students can get pictures with Santa outside (weather permitting) or inside on the stage. Either way, drop your letters off to Santa in his North Pole mailbox. Print the form letter below or email [BodkinSantaSaturday@gmail.com](mailto:BodkinSantaSaturday@gmail.com) if you need one sent home.

Envelopes will be available at the event if you do not have one at home.

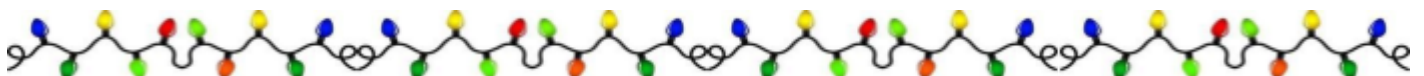

*NOTE: Santa will write back to every child who attaches a self-addressed envelope to their letter (please staple to letter, Do Not fold and place inside). Siblings not at Bodkin can also receive a response with a self-addressed envelope. Anything you'd like Santa to know about can be added on the back of the letter or fill out the Google form <https://forms.gle/ekssnbLzTD1xeY5c7>*

Please work with your children to make their list of who to shop for and how much to spend on each person. Remember—you will not be with them while they are shopping, so this step will help them stay within their budget, while getting something for everyone. This also helps our Shopping Elves assist children when shopping. Kids should come with a list, budget, and cash only (in envelope/wallet/sealable bag). After they make their purchases, they will be able to wrap and label each gift and walk out completely finished with their holiday shopping. **Please pack reusable bags!**

## ADDITIONAL KIDS SHOPPING MONDAY

We know not everyone can make it on December 3rd, so the Kids Shopping Area will be open Monday, December 5 from 5:30–7:30 in the cafeteria (last entry 7pm). Only the Kids Shopping Area will be open. Kids should come with a list, budget, and cash only.
