Dear Bodkin families

As we are fast approaching the 100th day of school, we reflect on a month filled with remarkable achievements, acts of kindness, and exciting events. Here's a glimpse of our highlights from January and a sneak peek at what's in store for February.

**Kindness in Action:** In the spirit of kindness, our students and staff demonstrated tremendous support for Our Lady of the Chesapeake's homeless shelter. Your generosity has made a significant impact, showcasing the power of a caring community. Additionally, we celebrated Mo Gaba Day, emphasizing kindness and the importance of helping others. It's heartwarming to witness our school coming together for such noble causes. Our students are currently making cards for a local hospital to give them a smile.

**Musical Success:** I would like to give a standing ovation to our talented students who put on stellar performances at the band and strings concert and both the of the CHS Cluster events. Their hard work and dedication shone brightly, making us all immensely proud. The harmony they created resonated throughout the school, leaving a lasting impression. I'm sure everyone watching was proud and heard the hard work from all! Did you see our staff perform at Reading Night? At Bodkin we love performing and making books come to life. Thanks for reading nightly and making your books at home come to life!

**PTA Memories:** Our PTA continues to create lasting memories for our students. The boys' bowling event was a success, and we look forward to celebrating our daughters in March. Don't forget to show your support for our 5th-grade promotion by purchasing a Smiley Gram – a delightful way to contribute to these special moments.

**Academic Updates:** As we've just completed mid-year quarterlies in reading and math, we are utilizing the data to reteach and extend learning opportunities. Report cards for this quarter will be emailed today. We encourage you to take the time to review your child's progress and set goals for the upcoming marking period. Consistent completion of nightly homework plays a crucial role in reinforcing the skills learned in class. Many of our students lost responsibility grades for not completing homework. Thanks for your support in checking parent portal weekly to see what assignments are still needed and making sure homework is done nightly.

**Family Partnerships:** We deeply value our partnership with families. Your involvement is vital to the success of our students. If there are specific ways we can support each other or if you have suggestions on how we can enhance our collaborative efforts, please let us know. Together, we can create an enriching and supportive learning environment for all.

As we embark on the adventures February has in store, let's continue to foster a culture of kindness, achievement, and collaboration. Please mark your calendars for all the upcoming events. Thank you for being a part of the Bodkin Elementary community. Mrs. Wenzel and I thank you for everything you do at home to support your student's academic success.

## VOLUNTEERING

To be eligible to volunteer for a club, to help in a classroom, to make copies, or to help at an event, you must have a current background check through AACPS. Background checks expire every 2 years. Being fingerprinted is required if you will be working one on one with students or for specific field trips (Arlington Echo or Drownproofing), but this does not expire. Please make sure your background check is up to date before volunteering. To find out the status of your background check, email Mrs. Burns in the office at [jmburns1@aacps.org](mailto:jmburns1@aacps.org) or call the school office. To complete a background check, click on Apply for Background Check at the bottom of this [link](#).

## PE NEWS

February is Heart Awareness Month and we will be starting our traditional Kids Heart Challenge Fundraiser. During PE, our students will be learning about heart health, and grades 3-5 will have the opportunity to raise funds to protect all hearts-especially other kids! Our goal is to raise \$16,000 for the American Heart Association. All students will be participating in many jump-rope challenges as well as other heart healthy activities. Please see below with how to register online. Thank you for your support and making a difference.

The American Heart Association's Kids Heart Challenge kicks off on February 2 and donations are due on February 23. Please register today, under our school, at [heart.org/schools](https://heart.org/schools).

Mrs. Corey is asking for your help in reaching our goal of 100% of our families learning the lifesaving skill of Hands-Only CPR. Please take a moment to watch this [video](#) of 5-year-old Phil and his mother, Megan. Last year, they saved a life because they completed Finn's Mission where they learned the critical steps.

## CLOTHING TO CASH

In December, Bodkin Elementary School collected 2,147.0 lbs. of clothing and shoes in our Clothing to Cash bin. That means our school received \$286.17 from your donations! We were the **second place winners!!** Thank you for your donations! The donation bin is located to the left of the school (when looking at the school) near the track. It's an easy stop when leaving the parking lot. Can we collect the most in February?

Congratulations to the following AACPS schools for the month of December!

## DID YOU KNOW?

In an effort to be mindful about wellness, we have Fitness Thursday the first Thursday of each month. We do something fun with the students (ask them about it) and wear our fitness clothes. Every week on Wednesday, it is Waste Free Wednesday. On Wednesdays, we encourage students to bring a lunch without trash and use reusable containers. Students can also wear

green. Bodkin has been a Green School since 2007. This program provides students with educational opportunities that empower them to make changes to reduce environmental impact, practice environmental stewardship, encourage sustainability, increase awareness of how our relationship with the environment ultimately impacts public health and society and fosters environmental literacy.

Let's show Mrs. Elsis some love this month! February 5-9 is National School Counseling Week. Send in a note or card to show her how thankful you are to have her as your school counselor.

# FROM THE HEALTH ROOM

Please be sure your student has a weather-appropriate change of clothing in his/her book bag/locker.

Non-medicated ChapStick can be sent with your child to school for his/her desk/locker.

Non-medicated throat drops can be sent in with your student as needed in small quantities. Cough drops containing any menthol or other medications will need to be accompanied by a medication request form from your doctor and brought and kept in the health room by an adult.

Please feel free to contact the health room as needed with any questions/concerns.

Students are in the middle of their Art To Remember Fundraiser Project. They are working hard to create something beautiful to show off. If you aren't familiar with Art to Remember, take a look at this [video](#). More details to follow soon! As always, thanks for all of your support!

Global Studies and Art are in need of a few recyclables you might have lying around. We need newspaper, tissue paper, magazines, and scrap-booking paper for projects we will be working on for Green School. If you have any, please send it our way! Thanks so much!

## OFFICE NEWS

### OUT-OF-AREA TRANSFERS

Out-of-Area requests should be submitted to Mrs. Myers **between March 1 and May 1**. After May 1, they must be sent directly to Central Office with a valid reason for being late. An out-of-area transfer is a request for a student residing in Anne Arundel County to attend a school within the county other than the assigned boundary school (often referred to as a student's home school). If a child already attends Bodkin as an out-of-area approved student, the application must be completed and submitted each school year. The continuation of a previous year's out-of-area is not automatic, and the application must be submitted to the school during the out-of-area application window. Please visit <https://www.aacps.org/outofarea> for more information.

# MATH MINDSET

Round two of Math Mindset starts in February. For those of you who are new to the program, it is an extra-curricular math program available to all Bodkin students in Kindergarten-5th Grade. Students have a full week to complete each worksheet. Participation is entirely voluntary. The problems are meant to be challenging, but not overwhelming. Family members are encouraged to participate/help in the solving. Feel free to contact Mrs. Zeruto if you have any questions at [clwieland935@gmail.com](mailto:clwieland935@gmail.com). Students who have completed all 10 weeks will be able to have an ice cream party to celebrate.

## ENVIRONMENTAL STEWARDSHIP

Planning for the Environmental & Local Culture Fair is underway. This event is on Saturday, May 4 from 10am - 1pm. Please hold onto old batteries (tape both ends), corks, bread tags & candy wrappers. Candy wrapper season isn't over yet! With Valentine's Day coming up, please hold onto those empty candy wrappers and bring them into Bodkin to be placed in the Rubicon Trash or Treasure™ box in the lobby! All other items, start collecting & hold onto until spring. Thanks for doing your part!

Also, as Jen & Nichole head into their 2nd to last year of planning this event, we'd love to bring in a 3rd Co-Chair to start learning the ropes in hopes of helping with the '24 & '25 Fairs & then taking it over Fall 2025. Reach out to Jen if you're interested!
