Dear Bodkin Families,

As we step into March, it feels like the school year is sprinting by. With the arrival of spring, we're eagerly anticipating a flurry of engaging activities and events here at Bodkin.

First and foremost, we extend our heartfelt gratitude to our incredible PTA for their unwavering dedication and commitment to enriching the Bodkin experience. They've been diligently organizing the much-anticipated Bodkin Girls Dance, set to take place March 15. This promises to be a delightful evening filled with laughter, dancing, and cherished memories for our young Bodkin ladies.

But that's not all our PTA has been up to! They've been hard at work planning a series of exciting events, including fundraiser dinner nights, the upcoming Fun Run, and the Environmental Fair. These gatherings are fantastic opportunities for our Bodkin families to come together, strengthen bonds, and support our school community. Mark your calendars for March 12, as we'll be hosting our next PTA meeting.

A special shoutout to all the families who've lent their support to our Kids Heart Challenge initiative. Thanks to your generosity, our students have raised almost \$12K for this incredible cause. Your kindness and compassion truly make a difference.

Looking ahead, we're thrilled to announce our upcoming Grandparent and Special Friends Day on March 22. This heartwarming event will feature two morning shifts, allowing our students to celebrate the love and wisdom of their cherished elders. Stay tuned for more details coming home this week, and let's kick off spring break with joyous memories and meaningful connections.

Remember, communication is key, and we're always here for you. If you have any questions, concerns, or ideas you'd like to share, please don't hesitate to reach out to Mrs. Wenzel or myself.

Here's to a March filled with warmth, togetherness, and endless possibilities!

Warm regards,

Bonnie Myers

February Highlights

3rd graders made their own seashell fossils with salt dough!

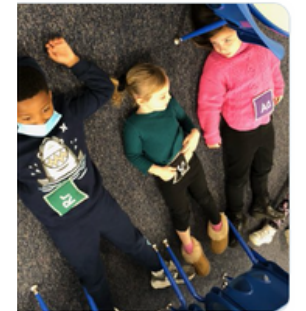

Thank you to the Kangaroo Kids for an amazing performance!

Fifth graders grew organic mushrooms and cooked them into breakfast this morning!
Thanks, Mr. Absher

Our literacy teacher Mrs. Zapf always has a smile on her face even when it's pouring rain.

Pre-K students used bean bags to practice belly breathing (one way to calm down when you are upset.)

Our first graders celebrated Lunar New Year by creating dragons. It is the year of the dragon after all.

We enjoyed making our bird houses as our PBIS celebration!

SCHOOL HAPPENINGS

Thank you for supporting the Fifth Grade Promotion Committee by purchasing Smiley Grams. We brought in \$3,633 in total sales! Our donation link is always available [here](#) if you are able to help. For additional information feel free to contact Meagan at bodkingrade5@gmail.com.

5th Grade Baby Photos & School Memories

Hey 5th Grade Families, we need your help!!

Please use the Google Form link below to upload a baby photo of your 5th grader. You can also use this link to share photos of your 5th grader and their Bodkin classmates at school events through the years!

The deadline to submit is to March 15th.

OFFICE NEWS

OUT-OF-AREA TRANSFERS

According to AACPS, Bodkin is a closed school and will not be accepting NEW applications for out-of-area transfers for the 2024-2025 school year. Current out of area students who attend Bodkin and wish to apply for the 2024-2025 school year are still able to apply. The application window runs March 1 to May 1. Please contact the Bodkin office with any questions. Please visit <https://www.aacps.org/outofarea> for more information.

COMING
SOON

KINDERGARTEN & PRE-K FOUR REGISTRATION

Registration is for incoming kindergarten students who will be five years old by September 1, 2024. The online Registration Portal opens for Kindergarten soon (date TBA.) Required documents for registration are: birth certificate, immunization records, and two proofs of residency. Please call Bodkin with questions or if you need assistance.

Pre-K Four applications will be starting soon as well (date TBA). Those students will need to be four years old by September 1, 2024. For more information, please visit the [AACPS Early Childhood site](#) or call Bodkin.

MCAP TESTING

Our third, fourth, and fifth graders will be completing the Maryland Comprehensive Assessment Program (MCAP) in the coming weeks. This assessment will focus on the ability to demonstrate essential knowledge and understanding in Science (MISA-Grade 5 only), English Language Arts, and Mathematics. Students will use their Chromebooks for this assessment. It is imperative that your child charges his/her Chromebook fully at home each night and brings it to school. Please also encourage your child to bring the charger and his/her headphones to school each day. The planned primary testing dates can be found below. Please note, students may test on additional or alternate dates to accommodate for absences, IEP/504/EL accommodations, and schedule changes.

ART

Our Art to Remember projects are now up for viewing of the ATR website. Students will be getting a flyer with their name and a QR code for easier accessibility to view their work. But if you're itching to view it a little sooner, you can type in your child's name and our school when using this [link](#). Have a wonderful day, and as always, thanks for all your support of the arts!

For Youth Art Month, the Mountain Road Library is displaying a few Bodkin students' artwork! Our students work so hard and this is really just a fraction of the amazing artwork they do everyday. We hope you have a chance to stop by the library and check out the lovely pieces! They will be on display until March 12. Ms. Councill and Mrs. King-Hann will be contacting parents soon to let them know if their child has art on display at the library. If your student's work is displayed, he/she is invited to stop by for a reception on March 6 between 4:30 and 6:00pm. There will be refreshments and the art teachers will be there to present a certificate.

CHESAPEAKE CLUSTER COMMUNITY EVENT

AACPS Special Education PRESENTS Normal isn't Real

"Normal Isn't Real" is a thought-provoking documentary that challenges societal perceptions of what is considered "normal." Through personal stories and expert insights, the film explores the diversity of neurodiversity, shedding light on the experiences of individuals with learning and attention differences. It encourages viewers to embrace uniqueness and question conventional norms.

A must-watch for those interested in fostering inclusivity and understanding in our communities.

ENVIRONMENTAL STEWARDSHIP

We are in need of a Co-Chair for the Environmental & Local Culture Fair. Next year will be the final year for Jen & Nichole because it is their last year at Bodkin. Reach out to Jen if you are interested. We would love to see this event continue on!

Planning for the event is underway. The Fair is on Saturday, May 4 from 10am - 1pm. One of the initiatives will be to collect hard to recycle items to be properly recycled or disposed of to keep them out of landfills. Please hold onto **old batteries (tape both ends), corks, bread tags & candy wrappers**. Collection boxes will be in the lobby in April & they'll be a collection area at the Fair.

If you'd like to help out with the Fair, please contact Jen. Stay tuned for information about changes to the raffle for the event.

Bodkin Elementary Color Run

9th Annual Fun Color Run

It's just about that time again! The kids look forward to this event each year and as always we are working hard to make it memorable!

The Fun Run will be held at Bodkin Elementary during school hours on Friday, April 12 (rain date Friday, April 19.) Complete permission slip [here](#).

To donate to your amazing, talented student (participant), please visit this [link](#).

Every student who raises a minimum of \$75 by March 22 will receive a free t-shirt. In order to receive a shirt, you must submit shirt size by March 22.

We are looking for business sponsors! Sponsorship is easy! Tax deductible donations can be made via cash or check.

If you are interested in volunteering, please reach out to Bodkincolorrund@gmail.com.

Bodkin Elementary Color Run

Dear Parents,

Bodkin Elementary School will be holding a fundraising campaign which will culminate with students participating in **Bodkin Elementary Color Run** on **April 12, 2024**. All proceeds from this fundraiser will be used for an outdoor classroom and improvements to our track. **This is an important fundraiser for our school and we need your help to make this campaign a success!**

Your child has been given their own personal fundraising webpage. The address of your child's fundraising webpage can be found on the flyer included in this package. If you aren't sure of the address (URL) of your child's personal fundraising webpage, go to the website <https://myfunrun.com/bodkin>, click on donate, then enter your child's first name (or participant number).

To raise money, share your child's personal fundraising webpage address with family and friends around the world by email, Facebook, Twitter, or any other method you prefer. You can also share your child's webpage easily by clicking on one of the "Share" icons at the top right of your child's personal fundraising webpage.

People with whom to share your child's personal fundraising page:

- Family members
- Educators
- Friends
- Neighbors
- Colleagues
- Etc...

**Please help and encourage your child to surpass his/her goal of \$75.
If they raise \$75, they will earn a free t-shirt!**

Many of you can help your children reach their goal with just a few emails. Don't forget to sponsor your child yourself now, as that will start them on reaching their goal!

The school, teachers, and parent volunteers are all working hard to make this campaign a success and improve our school. Please take just a few minutes to do your part by encouraging and facilitating your child's fundraising efforts.

The fun run promotes a healthy message and teaches our children the importance of health, fitness and giving.

Bodkin Elementary School

Lake Shore, MD 21122
(410) 437-0464

Dear Friend of Bodkin Elementary,

Our school is holding a Fun Run COLOR RUN on April 12, 2024, to raise money for our outdoor classroom and improvements to our track. We're asking our community and local businesses to get involved and support our school.

This year, approximately 500 students will be running in the Fun Color Run to support Bodkin Elementary. The funds raised will help pay for our outdoor classroom and improvements to our outdoor track for our school.

The estimated goal of our fundraiser is \$25,000. To help achieve our goal we are asking for support from local businesses in the form of monetary donations.

In addition to grateful hearts, here is what you can expect with your donation:

- Businesses that donate \$200 will have their logo printed on the back of our Bodkin FUN RUN t-shirt. Our students will wear these shirts during the Fun Run and throughout the year.
- Businesses that donate \$250 will have their logo printed on our t-shirt as well as their logo and a live link to your website on our main Bodkin Fun Run Website. This site received a LOT of traffic last year, and it is an effective way to get your business name seen by many.

We invite you to join us in this wonderful fundraiser by supporting Bodkin Elementary with your donation. In return, we would like to send you two complimentary Fun Run t-shirts as our way of saying "Thank you" for your support.

Please feel free to email me at BodkinColorRun@gmail.com if you have any questions or need more details about the event.

The Fun Run is a wonderful opportunity to bring the community together and to support each other. Thank you for taking the time to consider supporting us and thank you in advance for your generosity.

Sincerely,

Jenn Victor & Lena Kaba

Dear Parent/Guardian,

Enclosed please find the **Maryland Special Education Parent Involvement Survey**. Educators across the State recognize that creating opportunities for parent involvement and engagement has a direct impact on achieving better outcomes for students. Specifically, your feedback may help your child's school understand how its teachers and staff may better support your family.

We are reaching out to all Maryland parents and guardians who have children receiving special education and related services (speech therapy, physical therapy, occupational therapy, etc.) in preschool during the 2022-2023 school year.*

You can make a difference in how services are provided. In fact, in 2010 survey responses led to the creation of a comprehensive and coordinated system of services for children from birth to Kindergarten. In 2015, a preschool component was added to the Individualized Education Program (IP) to assist you in sharing critical information about your child, such as where does your child spend time and what are your child's strengths and needs.

If you have any questions or concerns, please contact Mr. Kenneth Hudock, MSDE, **410-767-7770**, Kenneth.Hudock@maryland.gov. If you would like another copy of the survey, please contact Ms. Joyce Shelton at **1-800-287 1581**. If more than one child in your family is receiving special education/related services during this school year, please complete one survey for **each** child.

Thank you in advance for sharing your experiences and ideas in the comment section of the survey. All comments will be read by the Maryland State Department of Education, Division of Early Intervention and Special Education Services staff and shared with local school systems to highlight strengths and identify possible areas of need. Together, we can continue to improve special education programs for children throughout Maryland.

Sincerely,

Antoine L. Hickman, Ed.D.

Assistant State Superintendent

Division of Early Intervention/Special Education Services
