

BODKIN BANNER

OCTOBER
2022

Dear Bodkin families,

Can you believe it is already October? Our students have transitioned to the early start times beautifully. We are so proud of them and are sure you are as well. Routines and relationships have been a strong focus as we started school, and students are working hard and are engaged in learning. We had an overwhelming response to volunteering. We are so excited to see our families working with students and supporting our teachers. If you want to volunteer, please be sure to reach out to your child's classroom teacher and join our PTA! We will put you right to work!

Look at all the upcoming events we have planned! Be sure to add things to your calendar. Our calendar has a few changes as we celebrate Yom Kippur, Unity Day and Parent-Teacher Conferences. We will be celebrating **Red Ribbon Week** from 10-24 through 10-31. Students will be learning how to "Say no to drugs"! We will be celebrating with a spirit week combined with a food drive challenge! Together we make a great team!

Our Bodkin community of teachers, students and families are our treasures! Mrs. Nee-Jackson and I are so very lucky to work with so many students, staff and families that are all here to support students in their educational journey!

October begins our "Harvest for the Hungry" Food Drive. Thanks for your generosity! Keep a look out for some food challenges during Red Ribbon spirit week!

Costume parade is scheduled for 8:30 on 10-31-22! So exciting!

Take some time to look at the October calendar; we hope to see you at some of the events!

October brings us time for conferences. Parent teacher collaboration is key. Be sure to save the date for our Cluster Trunk or Treat! This family event will bring many smiles!

Engagement is evident in classrooms. Tell your child thank you for a great start.

Reading at Bodkin is a priority! We will be having a Book Fair the week of the 24th!

SEPTEMBER

Highlights

3rd Grade students in Mrs. Major's Global Studies class demonstrate that they can use a growth mindset to appreciate that they are unique and special. Love their creativity that they show at the three class stations!

Flashlight Friday is a fun way to work on reading stamina! Many thanks to the anonymous donor who bought our class these flashlights from Mrs. Urps' class wish list!

Our new superintendent, Dr. Bedell, visited school and was super excited to see our Bodkin students in action.

Our first grade friends have been learning about the life cycle of the Monarch butterfly.

These 4 year olds in Pre-K show wonderful readiness to learn skills on their first day with Mrs. Hare. Thrilled to have our first class of Pre-K at Bodkin!

PARENT/TEACHER CONFERENCES

Mark your calendar for Thursday, October 20 and be on the lookout for additional information in the next week. Teachers will be reaching out directly to families. The time slots will be open to all families on a first come, first-serve basis. If you have any questions, please contact your child's teacher. We also have conferences on November 21st and 22nd. We are looking forward to connecting with you!

DISMISSAL

"My kid went where with whom?!" So that we NEVER have that scenario, we ALWAYS need a signed note from the parent/guardian when someone else is to pick up a student. Listing someone on an emergency card **does not** give them free access to pick up your student whenever. Without a note, we have no idea if you are aware of this early dismissal. So what IS the purpose of additional names on an emergency card?! Here is the inside scoop! The ONLY purpose for listing additional names on the emergency cards is if your student is sick or school closes unexpectedly (ie, loss of power/water, etc) and we are UNABLE to get in touch with you, who may we contact to pick up your student? It's that simple. With a note, we know that you know!

PARENTS AND VOLUNTEERS

Social media can be a convenient, fun, and rewarding way to share your life and opinions with family and friends. However, using social media involves certain risks and responsibilities. These guidelines apply to all forms of social media:

Under the Family Educational Rights and Privacy Act (FERPA), parents have the right to prevent photographs of their children from being taken in instructional settings. Given that volunteers have no knowledge of which parents have allowed their children to be photographed and which have not, volunteers may not take or post online any photographs or videos of students. This includes all school-sponsored events. Thank you for your cooperation with this most important issue of safety for our students.

STUDENT SUPERVISION

Unless children are practicing for chorus or some other teacher-supervised activity, students will not be allowed to enter the building before the first bell rings at 7:40am. Do not drop and go prior to 7:40am.

When children return to our building for evening activities with their parents, good school behavior is expected. Parents are requested to supervise their children during these times. No one should be in any classroom without permission and supervision.

EXTREME WEATHER CAR RIDER PROCESS

In the event of extreme weather during car rider dismissal time, the following procedures will be put into place:

- A Connect Ed Phone Call/Email/Text message will be sent to our entire community at all available email addresses and phone numbers notifying you of the implementation of the procedure below.
 - Car Riders will be delayed until the last bus dismisses (approx. 2:40pm)
 - The car rider line will form at CBMS as usual so that it does not block the buses from accessing the school.
 - When the last bus has been loaded, the first car will drive down to Bodkin and enter through the bus loop.
 - Students will remain under cover and will be dismissed to their car.
- ** All parents are encouraged to monitor the weather before school and to be prepared for these changes as car rider dismissal will be significantly delayed in order to keep students and staff safe.
- *** This process will be used VERY rarely. For normal weather conditions, the car rider line will remain the same—behind Bodkin at CBMS. Please plan ahead and send your child in with a rain coat/poncho, rain boots and/or an umbrella.

MATH MINDSET

Math MindSet is back for a second year! As you may recall, last year we improved the old program, Math SuperStars. It had been updated by the Bodkin Math Team to create problems better suited for our students. For those of you who are new to the program, it is an extra-curricular math program available to all Bodkin students in Kindergarten-5th Grade. The program opens a student's mind to challenging math concepts. It's free! The program incentives are paid for by the Bodkin PTA. The worksheets do not affect your child's school grades. It involves only 10 worksheets; 5 worksheets are completed in the fall, and the remaining 5 are completed in the spring. Students have a full week to complete each worksheet. Participation is entirely voluntary. Please do not feel like you have to participate, and you can always join in the fun later! The problems are meant to be challenging, but not overwhelming. Family members are encouraged to participate/help in the solving. We would like this program to be up and running ASAP. Please fill out the Google Form to let us know whether or not you'd like to participate this year <https://forms.gle/a22c7UgErRk2CBRz5>. Always feel free to contact me if you have any questions at clwieland935@gmail.com.

CANDY WRAPPER RECYCLING

Bodkin is excited to announce that we are participating in Rubicon's Trick or Trash™ program! Rubicon's mission is to end waste and in 2019 with this goal in mind, they shared their passion for sustainability with the candy wrapper collection program. Did you know that 600 million pounds of candy are purchased for Halloween and the wrappers can NOT be recycled through AA Co curbside recycling and if they don't end up in the landfill, they are often found littering our communities this time of year.

As part of Bodkin's green initiatives, we're encouraging families to save ALL plastic, aluminum and paper candy wrappers to send into school to be placed in the Trick or Trash™ box in the lobby. Once full, the PTA will send the box back where it will be processed through a recycling facility that turns the plastic wrappers into pet waste bags and the paper and aluminum will be recycled properly. Let's all do our part to participate. Happy Halloween!

HALLOWEEN PARADE

8:30AM

Please send child to school in costume along with clothes to change into after the parade. Parents are welcome to watch parade. Students will be marching outside like in years past.

An illustration of four children in Halloween costumes (a witch, a girl in a red dress, a ghost, and a mummy) marching on a path. The background is black with a large white spiderweb on the right. The bottom of the banner has a colorful, pixelated border.

Food insecurity affects more than 51,000 people in Anne Arundel County, including 1 in 3 students are food insecure in our county. During the Harvest for the Hungry–Kids Helping Kids campaign, schools and business partners contribute food and funding to support the Anne Arundel County Food Bank.

One dollar purchases eight pounds of food. With your help, we can provide them with food during these difficult times. All proceeds benefit the Anne Arundel County Food Bank. We are counting on the generosity of our local community to raise funds to ensure that no child in Anne Arundel County goes to bed hungry.

Donate online or bring food to your local Anne Arundel County Public School (AACPS) or office.

When you make your online donation, choose My School/My Program and enter Harvest and your school’s name on the next page.
