

Message from the Principal...

Brock Bridge Families,

As we begin the second marking period, I would like to thank you for your continued support at home. While this has been a huge adjustment to our daily lives, our students are persevering and doing a fantastic job with virtual learning. I am so proud of our students for continuing to come to class on time and engaging in instruction with their teachers and peers. Congratulations to all of our students that have earned Principal's Honor Roll, Honor Roll and Perfect Attendance for the first marking period.

Please remind students to:

- Attend class daily during their instructional time, for the entire instructional block.
- Mute microphones until they are called on.
- Encourage your child to have their camera on to connect with peers and teachers. This also allows teachers to monitor participation and progress.
- Assignments are due by Sunday at 10 pm.
- Students can request a re-do of an assignment, within a week. Please contact the teacher for more details.

Once a decision has been made for instruction after the first semester, we will communicate the details and plan accordingly.

If you are looking for additional resources to help your students at home, please have them log-in to the iReady or Scholastic programs through ClassLink. If you have questions or need assistance, please reach out to your child's teacher.

Wishing you and your family a safe and healthy holiday season!

Google Meet Class Recordings

As a reminder, in the virtual learning environment, families are forbidden to record or take pictures during live lessons. Please remember that virtual classrooms are no different than building classrooms where student privacy should be respected and upheld. AACPS has guidance for teachers on the proper recording of lessons should you need information (www.aacps.org/googlemeet); however, such recordings are not meant for personal nor public consumption beyond the classroom. Your cooperation in this matter is greatly appreciated for the safety and integrity of our school community.

Thank you.

School Camera System

Brock Bridge Elementary School is equipped with a video camera system. It covers selected interior and exterior public portions of the building and grounds. It is NOT monitored constantly, but it is monitored during emergency situations.

During certain events, when the safety or security of students may be in questions, authorized personnel from local, state, or federal police or fire emergency units may be given access to view images projected on the camera system. If you have any questions about the system, you should call the Supervisor of School Security at 410-222-5083.

AACPS Non-discrimination Disclaimer

The Anne Arundel County Public School System does not discriminate on the basis of race, color, sex, national origin, religion, age, disability, sexual orientation or familial status in matters affecting employment or in providing access to programs. Questions regarding nondiscrimination should be directed to Mr. Leslie N. Troubleshooting Your Child's AACPS Chromebook

Dear Parents/Guardians.

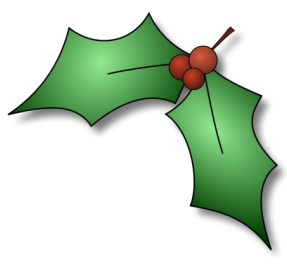

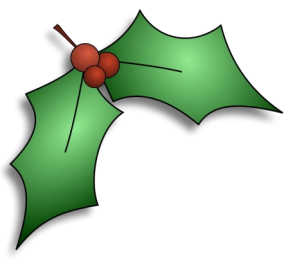

If you are having difficulty with your child's Chromebook, such as power and Wi-Fi issues, please consider checking out [Troubleshooting your AACPS Chromebook \(versión en español\)](#).

If the issue persists, kindly send an email to chromebookissues@aacps.org. Make the subject line: "Chromebook Issue - Student Last Name" and include the following information in the body of your message:

- Child's name
- Child's school
- Chromebook model #
- From what location did you get your child's Chromebook
- Brief description of what the issue is

Depending upon the circumstances, we may resolve the issue or swap out the Chromebook.

Thank you for your assistance in helping us with Chromebook support!
