

CENTRAL ELEMENTARY SCHOOL

IMPORTANT CAR RIDER INFORMATION

Safety is our main concern!!

Please review these guidelines to ensure safe, smooth transitions for all of our car riders.

AM DROP-OFF

- Pull all the way down as far as possible along the sidewalk. *(The long line of cars causes congestion, blocking buses and traffic all the way to Stepney Lane and Central Avenue.)*
- Drop children off along the sidewalk only. ***The passenger side is the safest!!***
- **Use the crosswalk** to cross the drop-off lane.
- Students **MUST** be escorted by an adult in the parking lot all the way to the sidewalk.
- Be patient; wait to pass a car until a teacher has signaled it is clear.

PM PICK UP

- Pull all the way down as far as possible along the sidewalk. *(The long line of cars causes congestion, blocking buses and traffic all the way to Stepney Lane and Central Avenue.)*
- If you are in the "Drop Off Lane," remain in your car so that as soon as most cars are loaded, we can begin to clear the lane.
- **Use the crosswalk** to cross the drop-off lane.
- Students **MUST** be escorted by an adult in the parking lot all the way to the sidewalk. **PLEASE DO NOT CALL YOUR CHILD TO CROSS THE LOT BY HIM/HERSELF, EVEN FOR ONLY A FEW FEET.**
- Be patient; wait to pass a car until a teacher has signaled it is clear.

DON'T FORGET-

Be safe! Put down your cell phone and make sure your children are buckled in appropriate boosters or child seats. It's the law!
