Navigating

Student Intro to Digital Tools

Search

Select the magnifying glass to search the site.

The screenshot shows the top navigation bar of the 'Student Intro to Digital Tools' website. The page title 'Student Intro to Digital Tools' is on the left, accompanied by an OIT logo. The navigation menu includes links for 'Home', 'AACPS Chromebooks', 'Working on a Personal Device', 'Classlink', 'Brightspace' (with a dropdown arrow), 'Google Workspace' (with a dropdown arrow), 'Student Email' (with a dropdown arrow), and 'Other Common Tools'. A magnifying glass icon is located at the end of the navigation bar. Three callout boxes provide instructions: 'Home Page' points to the Home link, 'Navigation Menu' points to the navigation bar, and 'Search' points to the magnifying glass icon.

Home Page
Select the name of the site or the OIT logo to return home.

Navigation Menu
If there is an arrow beside the title, there are subpages within that category.

Search
Select the magnifying glass to search the site.

What You Can Find Under Each Menu Option

[AACPS Chromebooks](#)

More information on using your AACPS Chromebook.

[Working on a Personal Device](#)

Not using an AACPS issued Chromebook? How to best use your personal devices to be successful.

[Classlink](#)

Customize your Classlink page to make it work best for you.

[Brightspace](#)

Resources on navigating between classes, completing assignments, and submitting pictures to Brightspace from a Chromebook.

[Google Workspace](#)

Information on using Google Drive, Google Meet, and other Google apps like Docs, Slides, and Jamboard.

[Student Email](#)

Information provided to students on how to access and use their Brightspace Course Mail (all students) and Outlook Email (MS & HS only)

[Other Common Tools](#)

Learn to use Wixie, WeVideo, Discovery Ed, Lumio and other common digital instructional tools used in AACPS
