

Jacobsville Green Team

Turkey Dressing Clothing Drive

Our turkey dressing clothing drive was a success! Our students donated enough clothing to completely fill the bin twice in the month of November. We are waiting to see if we qualify for a bonus for collecting so much in one month!

Remember the bin is available all year long for donations. Our school earns \$.10 per pound of clothing.

Your Next Green Assignment

The Green Committee is currently collecting plastic lids of all sizes and colors. Lids can be from plastic soft drink bottles, colorful milk lids, etc. We are collecting them for a green art project in the spring. Please have your child bring lids to the media center for jaguar dollars!
