Principal's Message

Happy February Jaguar Families,

As we move into this month, students and teachers are adjusting to their new Spring Virtual Learning Schedule. Thank you for your continued flexibility as we make this shift and prepare for our transition to our anticipated March Hybrid/Virtual Learning model.

We are finalizing dates/times for our 2nd Round of Materials Distribution. This will be an opportunity for you to drive to the school and receive curbside pickup of a few items to replenish your student's backpack materials. These supplies vary per grade level (markers, notebooks, Chromebook sleeve, etc.). You will be receiving a Connect Ed phone call in the coming days, to provide you with the details.

As March approaches, our school system will continue to provide you with information regarding Hybrid Learning. Rest assured that our staff is working hard to ensure that students who return to our building for Hybrid Learning will be in a clean and safe environment with staff following, and encouraging students to follow, all health and safety guidelines (wearing masks, social distancing, washing hands frequently, using hand sanitizer, etc.). We appreciate your patience as students and teachers settle into new routines and procedures.

Our next Unity Day is coming up! Celebrate with us on Wednesday, February 10th. Don't forget to wear ORANGE to promote Kindness, Acceptance, and Inclusion.

WE continue to appreciate ALL that you do to support your students at home, and our staff. There is no 'I' in TEAM and we are lucky to have YOU partnering WITH US to ensure our students are successful.

Warm Regards,

Anita Dempsey

Principal

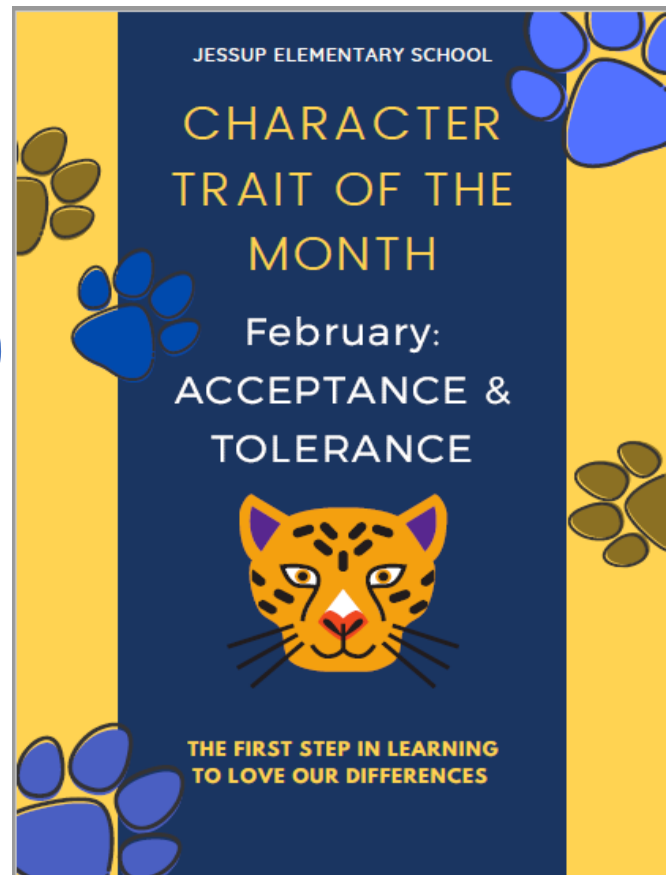

Jessup Jaguars are growing into Global Leaders, through Academic Excellence meeting High Expectations, Wellness, and Service.

Congratulations to our Jessup Jaguar -January Champs!!

These students went above and beyond to show *Integrity and Honesty* . We are so proud of each of them,

February's
 Character Trait will be.....

Jessup Elementary School is equipped with a video camera system. It covers selected interior and exterior public portions of the building and grounds. It is NOT monitored constantly, but it is monitored during emergency situations. During certain events, when the safety or security of students may be in question, authorized personnel from local, state, or federal police or fire emergency units may be given access to view images projected on the camera system. If you have any questions about the system, you should call the supervisor of school security at 410-222-5083.

ATTENDANCE MATTERS
every student, every day

When students are absent from Virtual Learning, please use this link to submit your Absence Note.
