Anne Arundel County Public Library
SAIL Account

All AACPS students now have special public library accounts. With these accounts, they can:

- Access premium online resources, including test prep, language learning and more
- Get free online homework help
- Check out up to three items with *no fines*

SAIL works just like a regular library card, only there's no plastic card to remember. SAIL account numbers are made up of a prefix code and their student ID number.

All SAIL accounts come with a six-digit PIN, which is set to the digits in a student's birthday. *Example: if the birthday is 10/18/2012, the PIN is 101812*

Card Number:

2 1 9 9 7 0 8 0 _ _ _ _ _
prefix *student ID number*

PIN: _ _ _ _ _
student's birthday
