Dear Marley Elementary Families,

Happy Spring! I am sure that you are as excited as I am to greet the warmer weather and longer hours of daylight. After a long winter and school year unlike any other, signs of Spring provide me with renewed energy and hope.

As we approach one month of hybrid, in person learning, I am honestly very proud of our students, teachers, and staff! We pulled together to engage in instruction, learn and teach new routines, and remain respectful, responsible and safe through it all! We are really an awesome community!

Please note that report cards for the third marking period will be distributed via Parent Portal on April 23rd. If you were not enrolled in Parent Portal, you received directions in the mail to assist you in enrolling. If you need further assistance, please contact us at the school. We are happy to help you.

Additionally, our final Unity Day will occur April 21st. Please join our AACPS community by wearing orange and promoting unity, equity, and collaboration throughout our school system. Our students will be engaged in lessons and activities which focus on the aforementioned concepts on that day.

As always, please feel free to reach out to Mrs. Brady and me with questions. We are here to serve!

Educationally Yours,

Tamara Kelly- Molock
