Dear Marley Elementary Families,

I hope you are staying warm and safe during these cold months of winter. While we are all not attending school in our brick and mortar building, we are still a community. A community committed to learning, growing, and making learning magical for each of our students.

This month we will continue to engage our students and families in learning through the online setting. We appreciate those families that responded to the Spring Return to Learning Survey. As we prepare for a potential reopening on March 1<sup>st</sup>, the information will greatly assist our planning efforts. Please know that our school team is dedicated to providing great learning experiences no matter the setting. As we develop Marley Elementary's reopening plan, with direction from AACPS, we will keep you informed. We thank you for your partnership in this endeavor and your partnership throughout the year.

During February we have a few different areas of focus. We will explore special events such as Groundhog Day, Chinese New Year, Valentine's Day, and Black History Month with a variety of lesson and activities. We are dedicated in providing students with a wealth of knowledge connected to the many diverse traditions and celebrations that make our community inclusive and unique. Additionally, in recognition of Valentine's Day, we will focus on the trait of positivity. We will also celebrate Kindness Spirit Week, February 8<sup>th</sup> – 12<sup>th</sup>. Teachers will be sharing activities that will focus on showing love to ones' self, our planet, and others. It sure to raise spirits overall.

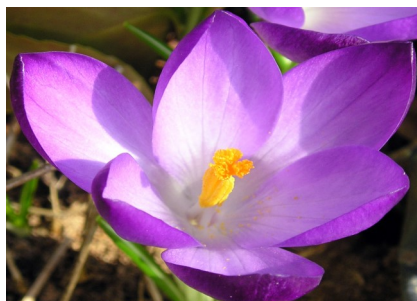

Lastly, report cards will be distributed February 9<sup>th</sup>. Be certain to review your child's report card with them and set goals for next steps. Your child's teacher may also be reaching out to schedule a parent teacher conference with you related to your child's progress. If you would like to have a parent teacher conference, please contact your child's teacher.

Thank you for your continued support! We appreciate the partnership.

Educationally Yours,

Tamara Kelly-Molock  
Principal

Erin Brady  
Assistant Principal
