Dear Marley Elementary Families,

This is the final newsletter of the 2019-2020 school year. To say that this year has been unlike any other is an understatement for sure. When I waved goodbye to our Marley Mustangs on March 13th, I could not have imagined that we would not report back to our building. I could not have imagined that our students would continue their learning via Google platforms and that Mrs. Morgan and I would visit classrooms through our computer screens.

Through the last two marking periods, we conducted school and learning in a new way like never before. I cannot express how grateful and proud I am of each student and family that committed to our continuity learning plan for students. I know it wasn't easy. I know at times it was frustrating. But you exhibited our school motto, "I Can. I Will." You are to be applauded.

I wish to also take this opportunity, to commend our teachers, instructional staff, secretarial staff, and custodians for their work and dedication during this school closure. You maintained classroom communities and provided instruction on a format that you learned within a few weeks' time. You reached out to families and assisted them as best you could. You kept our building clean and maintained. You demonstrated care, concern, and commitment. Thank you!

We will provide students and families the opportunity to secure students' belongings. A schedule is included in our school newsletter. Please refer to the schedule to see your child's scheduled time of pickup. If you have children in multiple grades or classes, please email our assistant principal at mrmorgan@aacps.org or me at tkelly-molock@aacps.org. Include your children's names and each child's teacher. We will arrange one time to pick up all your students' belongings.

As soon as we receive information regarding the plan for the fall reopening of schools we will communicate them with our community. I wish you a happy and safe summer. Take care of yourselves and each other.

Educationally Yours,

Tamara Kelly-Molock
