**HAVE A  
WONDERFUL  
SUMMER!**

Dear Marley Elementary Families,

We are coming to the close of an extraordinary school year. None of us thought in March 2020 that we would not have all students and teachers reporting in September. We learned to navigate instructional technology, to connect virtually, and parents and caregivers became true partners in the educational process. We have had triumphs and disappointments, starts and stops. Yet through it all we endured as a school community because WE ARE MARLEY!

In this last newsletter of the school year, I want to take this opportunity to thank the incredible staff at Marley. I am very honored to lead a group of educators who always put students first. Throughout the many challenges they never complained. They always said we will do what is best for the kids. I am grateful for their commitment and professionalism. They are truly first class!

I also want to say thank you to the families. I realize how challenging this school year has been for you. Each family had their share of obstacles. We appreciate how you worked to make sure students were attending school, you stayed in communication with teachers, and were supportive of our efforts. We all appreciate your partnership.

Finally, thank you to our reason, the students. I cannot imagine what it was like to spend your school year at home, away from classmates, learning in a whole new way. I am proud that you exhibited that I Can, I Will spirit that makes Marley Mustangs great!

We will be working diligently this summer to prepare for our students return to in person learning in September. Please follow us on Twitter @MarleyESAACPS for the latest updates. Mrs. Brady and I will also be available during the summer to answer any questions or concerns.

Have a wonderful summer!

Educationally Yours,

Tamara Kelly-Molock- Principal

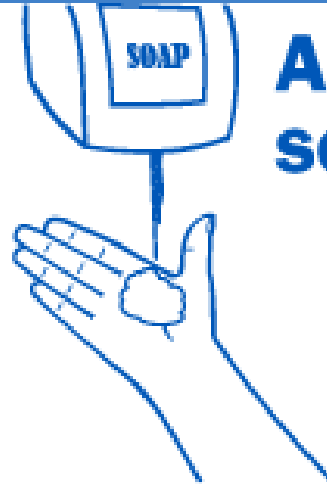

Erin Brady- Assistant Principal
