First Day of Spring

Dear Marley Elementary Families,

The month of March has arrived, and we have begun hybrid learning. After almost a year of COVID-19 closure, it was exciting to see students climbing off buses, bounding out of cars, and walking through our doors. Thank you to our teachers and instructional staff who have worked diligently to prepare meaningful lessons for our in-person and virtual students simultaneously. It is no easy feat! But they have risen to the challenge due to their commitment to educating children.

I would also like to take this opportunity to thank you for your flexibility and partnership. We have worked hard to make the transition to hybrid learning as seamless as possible. We appreciate your patience as we navigate a whole new world of hybrid learning. We appreciate your support as we continue to grow students academically and social emotionally. We value you as members of our community.

March 10th is parent teacher conference day. Teachers will reach out to select families to schedule conferences. If you would like to conference with your child's teacher, please reach out to him or her to schedule a conference. Be reminded that students will not have instruction on March 10th.

As always Mrs. Brady and I are here to support your child and address any concerns. Feel free to reach out to us. Thank you again for your partnership!

Educationally yours,
Tamara Kelly-Molock
Principal

Erin Brady
Assistant Principal

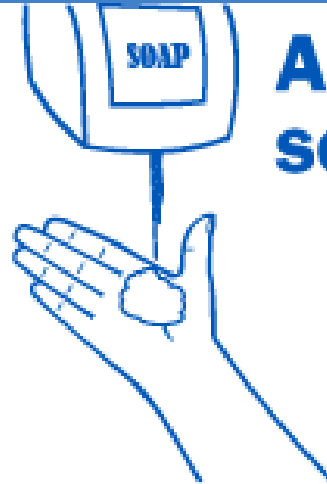

Wash Your Hands

**Wet
hands**

**Apply
soap**

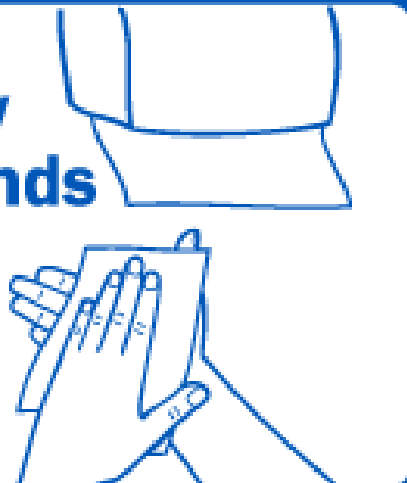

**Wash
for 20
seconds**

**Rinse
well**

**Dry
hands**

**Turn
