Teacher Appreciation Week

May 25
Memorial Day
School is closed

Dear Marley Elementary School Families,

I want to start this letter by saying THANK YOU. We realize that it has not been easy shifting to e-Learning during these uncertain and difficult times. But many of our students are actively engaged and submitting assignments regularly. Doing these things assists in maintaining continuity of learning and provides your child with the most critical skills they will need next year and beyond. Keep it up! We are proud of our families and our students!

Next, I want to take this time to thank Marley's phenomenal teaching staff. In a very short amount of time, they learned the new online Google Suite platform, worked to set up their new "classrooms", and strive each day to maintain the relationships made with students this year. From morning meeting to video lessons to Google Meet sessions, they have put forth tremendous effort to continue teaching during this pandemic. So, during this Teacher Appreciation Week I am sure that you appreciate teachers now more than ever!

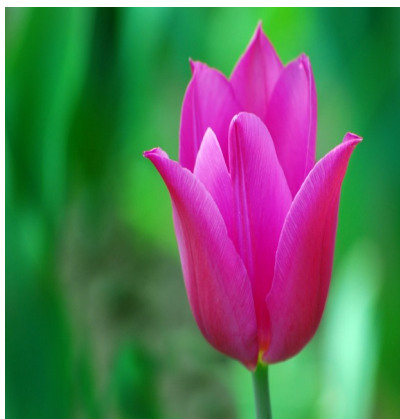

As reminder, please make sure that your child is completing graded assignments in all classes. These assignments include the cultural arts classes. Please refer to your child's teachers Google classroom to find the code to join the specific grade level cultural arts Google Classroom. We want our students to keep their skills sharp in all areas.

Finally, please do not hesitate to contact your child's teacher, school counselor, Mrs. Morgan, or me if you need assistance with or have questions about e-Learning. Email is the best way to reach us during this time. As always, we are here to help. We miss you and hope to see everyone soon. Stay safe!

Educationally Yours,

Tamara Kelly-Molock
