May 2021

Dear Marley Elementary Families,

We have reached the month of May and the final marking period of the year! We have been urging students to “finish strong”. Finishing strong includes increasing the level of attendance throughout the school day. Students should attend virtually every day in the morning and in the afternoon after midday block. We will be launching a school-wide attendance initiative through PBIS and Class Dojo. In early June, there will be a special virtual assembly for students earning a required number of points. Stay tuned for more details on this exciting attendance initiative!

I would also like to encourage students to continue to engage in activities, such as First in Math, Dream Box, and I-Ready to grow their skills. We have seen the difference that the practice makes for our students. Continue that extra practice is another way we can “finish strong”.

Lastly, Teacher Appreciation Week is May 3rd- May 7th. Teachers have worked so hard this year to provide instruction in-person and virtually. They have been committed to student learning in ways that have made me so very proud! Please have your children take part in our Teacher Appreciation Spirit Week! It is small but meaningful way to show teachers that we love and appreciate them! Details will be shared on our social media platforms and in this newsletter.

As always, Mrs. Brady and I are here to serve you and your children. Please reach out to us via email or a call to the office if you need assistance. We appreciate your partnership and collaboration.

Educationally Yours,

Tamara Kelly-Molock

Principal

Erin Brady

Assistant Principal

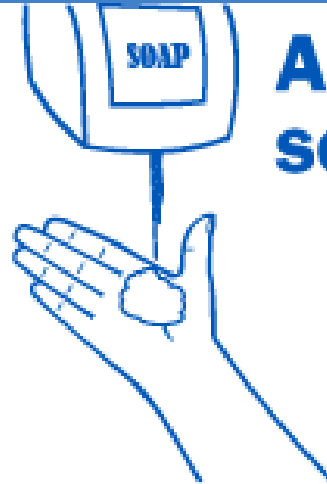

Wash Your Hands

**Wet
hands**

**Apply
soap**

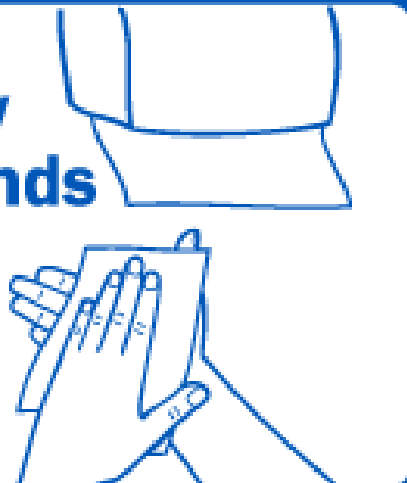

**Wash
for 20
seconds**

**Rinse
well**

**Dry
