Dear Marley Elementary Family,

It is hard to believe that we have one month of school under our belts! As we move into the month of October, our teachers and staff are committed to working with you and your child to ensure the best learning opportunity possible in the virtual setting. Thank you for all you are doing. You are making sure students are attending live sessions, completing assignments, and engaging in instruction. We are appreciative of your partnership as we work together to educate our Marley Mustangs.

October 12th and 13th we will have parent teacher conferences. Conferences provide an opportunity to discuss your child's progress and goals. Teachers will be scheduling conferences with you using Sign-up Genius. Please expect communication from your child's teacher to schedule a time for a parent teacher conference.

Lastly, we want you to stay in the loop. Please consider following our Twitter page @MarleyESAACPS for updates and information. We also have a Marley Google Website with helpful information and links. Please visit the address below to access the site.

Continue to be respectful, responsible, and safe! Take care and stay safe! #WeareMarley

Educationally Yours,

Tamara Kelly-Molock  
Principal
