Dear Marley Elementary Families,

I would like to take this opportunity to say Welcome Back to School. Although, the school year is beginning differently than in years past, one thing remains the same WE ARE MARLEY! Our teachers and staff are eager to start the year, forge relationships, and engage your students in learning virtually.

We want you to know that we are here to support you and your child during this virtual learning period. If you are having challenges, let us know. Your child's teachers, our counseling team, and administration are here to help. Mrs. Kim Burnham will be the school counselor for students in Pre-K, 1st, and 5th grades. Ms. Amber Adams joins our school community this school year and will serve as school counselor for students in Kindergarten, 2nd, and 4th grades.

I would also like to take this time thank you for attending our virtual Back to School Night on September 2nd. It was a success, and we were ecstatic to meet our students and families and inform you about our upcoming school year. It also gave us an opportunity to launch our new Marley Google Site! This site will serve as a hub for resources such as Google Meet assistance documents, counseling resources, instructional schedules, etc. Feel free to visit our site at <https://sites.google.com/aacps.org/marleyelementary/home>

As we embark on this new journey of virtual learning, we request your grace and patience. There will be challenges as there is with any new endeavor. Things will not be perfect. But we will meet challenges and exhibit an "I Can, I Will" spirit of perseverance. We will rise and succeed. We will do all these things because WE ARE MARLEY!

Educationally Yours,
