

Welcome to Marley Elementary School, we are so glad you are here! To our new families and our returning families, we are looking forward to making the 2019-2020 school year the best yet! Our office and custodial staff have been working hard this summer to ensure everything is ready for the students and faculty when they return. During the summer, we welcomed Mrs. Missy Morgan as our new Assistant Principal and with a heavy heart we wished Mrs. Becky Williams the best of luck at her new school. You will be seeing some new faces in the halls here at Marley Elementary and we welcome them to our growing faculty. If you have any questions today or during the school year, please call the office or stop by. We are looking forward to seeing all the students and watching them grow.

Your office Staff!

Dear Marley Elementary School Families,

I am excited to welcome each of our students to Marley Elementary School for the 2019-2020 school year! Our staff is committed to providing a quality education for every student who enters our doors. We will continue to create learning opportunities that are magical!

Our school places an emphasis creating and maintaining a school community and culture that is respectful, responsible and safe. The members of our staff promote these core values daily through our interactions with students, the community, and each other. We are honored to that we get to work with you and your students!

Please take time to read our monthly newsletter, which posted on our school's website. We strive to keep the publication short but informative. On a monthly basis, our newsletter contains information about school policies, curriculum updates, and a calendar of important events. It is truly an important means of communication for the Marley Elementary School Community!

Lastly, I wish to take this opportunity to welcome our new assistant principal Mrs. Missy Morgan to Marley Elementary School. She comes to us with a wealth of experience, knowledge, and enthusiasm for the important work of educating students. Be sure to look for her smiling face when you visit Marley!

Please know that Mrs. Morgan and I believe in home-school partnerships. We are here to work as partners in your child's education and development. Please feel free to contact me via email at tkelly-molock@aacps.org or call the school office 410-222-6415 to schedule a time to meet with either one of us.

Here's to a great school year!

Educationally Yours,

Tamara Kelly-Molock

Principal

Missy Morgan

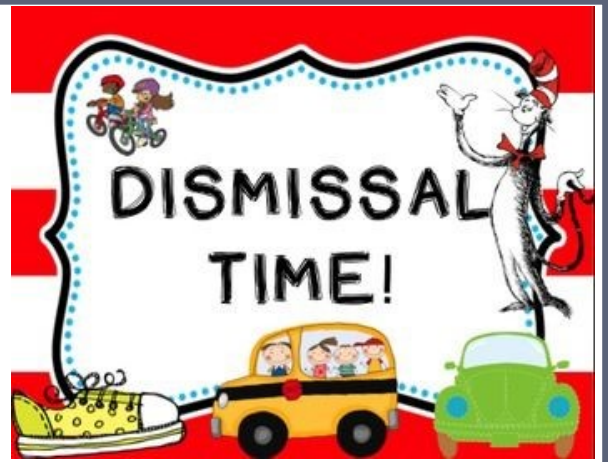

Assistant Principal

100% ID CHECK

The safety of our students and faculty is at the top of our priorities here at Marley Elementary. Anne Arundel County Public Schools has updated our systems to better protect everyone. If you are planning to enter the building for any reason, we will require a photo ID. ALL previously scanned items have been removed so the previous database is no longer accessible. Please be patient as we adapt to this new process to ensure complete safety within the walls of Marley Elementary.

Dear Parents and Guardians,

The office staff is requesting that all dismissal changes be made before

3:15pm. Marley Elementary is a very large school and when multiple changes come into the office during dismissal, it can become very confusing for the students and faculty. Please send a written note or call the office before 3:15pm so they can accommodate your request. Class DoJo is a great form of communication, however if a dismissal change is made to the teacher and they have a substitute, the office may not receive the change. It is also important that we use **ONE** dismissal plan. When the children are having to ride a bus one day, and then they are a car rider the next day, they can become quite confused. We are here to ensure each child arrives home safely and with your help we can make that happen.

Thank you in advance for your understanding and willingness to help with this request,

Your Office Staff!

If your child is not in school for any reason, please send a note to the teacher. If a student is out of school for 5 or more consecutive days due to illness, a doctor's note will be required to excuse the absence.

The Board of Education's Policy on Classroom Visits

- Parents/Guardians are required to pre-schedule classroom visits with the classroom teacher.
- The classroom teacher shall notify the principal of all scheduled visits.
- Classroom visits are at the discretion of the principal.
- The principal reserves the right to limit or schedule classroom visits to avoid disruption to the educational program, normal operation of the classroom, and normal operation of the school.
- Tutors are prohibited in the classroom during the normal school day.

A child's birthday is very exciting and we want to help your child celebrate. Store bought (per Board of Education guidelines) cupcakes are welcome along with juice boxes to be enjoyed at the end of the school day. Please let the teacher know when you will drop the cupcakes off so they can plan accordingly. We cannot accept balloons, presents, candy, ice cream, etc..
