September 16

Yom Kippur

All schools closed

September 17

First day for ALL Pre-K

Dear Marley Elementary Families,

I speak for all our teachers and staff when I express how over the moon, we are to welcome students back to 5 days in-person learning! The past school year presented challenges and learning in a brand-new way. But as a school community we persevered. Teachers gave their all to instruct students in meaningful ways. Families and students stepped up and engaged in learning. I am proud of our Marley School Community. Throughout the past school year, we truly exhibited the I can, I will spirit in every way!

As we begin our school year, we are continually committed to educating students at the highest level while emphasizing the importance of social emotional health for our school community. In support of that effort, our students will be engaged in Community Circle and Second Step lessons during the first minutes of our instructional day. Community Circle time provides students and their teachers time to connect, share, and form a sense of community. Second Step is a research-based curriculum that addresses themes such as empathy, problem solving, and perseverance. These district-wide initiatives are being implemented to support the whole child. We are excited and anticipate that it will greatly, positively impact our students.

Please know that Mrs. Brady and I are available to answer any questions you may have. We are in educational partnership with you. Please do not hesitate to reach out to us. We are here to help you and your children.

Together, we will make this school year the best year ever!

Educationally Yours,

Tamara Kelly-Molock

Principal

Erin Brady

Assistant Principal
