Title I

Maryland City ES is a school-wide Title I school. Title I funding from the federal government is used to provide additional resources for our school. Title I funding provides the following services for our families:

- ✓ Family events to support their children's growth as learners
- ✓ Additional staffing to support our students
- ✓ Extended learning opportunities for those students who need additional academic support

School Cancellations

When school is closed, delayed or ending early, the AACPS communication's officer will send out an email and will call parents. Once your contact information is entered into our database, emails and calls will occur automatically.

Free and Reduced Lunches

Parents are encouraged to apply online. The application can be found on the AACPS website/School Meals. It's as follows: <https://applyformeals.aacps.org>. Parents are notified by the food services department regarding a decision.

Clothing Bin

Any textiles (i.e.: shoes, clothing, bedding, backpacks, etc.) can be placed in the white recycling container located on the bus loop. This is a fundraiser for our school. All monies go back to support teachers and students.
