

# Maryland City Elementary School

## Title I Quick Facts 2022-2023

- The school receives federal funding to support our students based on the percent of students who qualify for the free lunch program.
- All students fall under the Title I umbrella, and students are identified for intervention based on academic needs. Multiple data points are used to identify students for intervention.
- Title I funds are used to support student achievement, teacher professional development, and parent education.
- Title I personnel provide reading and math interventions by supplementing classroom instruction. The Title I resource personnel at MCES are:
  1. Title I Math Teacher
  2. Math Interventionist
  3. Title I Reading Teacher
  4. Reading Interventionist
  5. Title I Teaching Assistant
  6. Permanent Substitute
- MCES students, parents, and teachers should review and sign our MCES Home School Compact. This compact identifies how students, parents, and teachers work together to move students forward instructionally.
- MCES Title I parent events are held to increase parent capacity so they can help their children with academics at home. All families at MCES are invited to Title I events.
- The AACPS Title I office provides opportunities for parents to attend countywide events. Invitations are distributed by the school.
- Parents are invited and encouraged to actively participate on the MCES School Improvement Team and the AACPS Title I Parent Advisory Committee.
- Questions about the Maryland City Elementary School Title I program should be directed to Mrs. Ziemer or Mrs. Watts. (301-725-4256; [sziemer@aacps.org](mailto:sziemer@aacps.org); [hwatts@aacps.org](mailto:hwatts@aacps.org))
