

Dear Millersville Families,

Well here we are in the last month of the 2018-2019 school year, and we made it through together! I so appreciate the warm welcome I have received and the willingness of so many people to work with the school for the benefit of all our young scholars.

Parental involvement truly does make such a huge difference, and Millersville Elementary School shows the positive influence of the collaboration between home and school. I want to take this time to thank each of you for that teamwork.

I am looking forward to next year already as well, and we use the summer months to prepare for a successful school year once summer is over. If you know anyone who has moved into the school zone who has school age children, please gently prod them to register their child(ren) so that we get the correct number of faculty.

Take time this summer to enjoy your family. Our children grow up so quickly which makes these moments so precious.

I wish you a summer filled with memories
Laughter and cuddles
And when it rains
A run through the puddles
I wish you fun filled trips
Beautiful views that are free
And no bee stings and no scratched knees.

Respectfully,

Linda Toth, principal

Health Room Reminder

News from the Health Room

It's almost the end of the year!!! Parents, if your child has any medication stored in the health room, it must be **picked up by an adult on or before the last day of school, June 14th at 1:40 pm.** Any medications not picked up by this time will be discarded.

If you think your child will need medication at school next year, we will need a new order. Please stop by the health room and pick up a P.R.A.M. form to be filled out by you and your doctor over the summer (even over-the-counter medications require this form).

Hope you have a great summer!

Please read the article entitled Sun Smart also located on our website. Protect yourself and protect your child from permanent damage to their skin!

Also available on our website is the Magnet Information Nights for Fall 2019. Please check out the informational packet!

Help us wish two of our staff members who will not be returning next year!

Both Mrs. Cheryl Wade and Ms. Christy Jenkins are retiring.

Mrs. Cheryl Wade has served Millersville Elementary School for twelve years, and has truly become a major part of our community. She will be greatly missed!

Ms. Jenkins is also retiring after twenty years of leading our students to academic success.

She also served as a Naval Officer prior to coming to Millersville Elementary School. She has truly made a difference in the lives of many of our students, and her dedication will be missed.
