Have a wonderful summer break!

Dear Families,

As the school year is closing, the Overlook Staff would like to thank families for your continued support, time, and commitment for making it a great school year. Overlook would not be "O" mazing without our volunteers, PTA, students, staff, and families.

For next school year, we will send out an August/September newsletter before school begins on Tuesday, September 3<sup>rd</sup> for students in 1<sup>st</sup> - 5<sup>th</sup> grades. Save the date for Sneak-a-Peek on Thursday, August 29<sup>th</sup> at 3 p.m. Additionally, our Back-to-School Night will be on Tuesday, September 24<sup>th</sup> at 6 pm.

See the attached reading and math challenges for students to participate in over the summer. Students who complete the challenge will be recognized in the fall. Reading a book, keeping a journal, counting, and/or practicing math facts are ways you to encourage your child to continue to learn over the summer.

Thank you for a wonderful school year. We hope everyone has a relaxing and fun summer break.

Angie Ricciuti, Principal

Dear Kindergarten Families,

Can you believe that this school year is almost over? We will be commemorating the end of the year with a celebration. Our **Kindergarten End-Of-Year Ceremony** will be held on **Friday, June 14<sup>th</sup> at 10:00 am** in our gym.

Please have your student dressed their best! For boys, perhaps a button-down shirt with a nice pair of pants. For girls, perhaps a dress or skirt- whatever makes your student feel confident! No t-shirts or jeans, please.

Have your student come to school as they always do at 9:15 am. We will begin seating families in the gym at 9:45 am and the ceremony will begin **promptly at 10:00 am**. After the ceremony, attendees will be invited to their child’s classroom for pictures and final goodbyes. If you wish you take your student with you at the end of the ceremony, you must sign them out at the front office.

We will need to pre-register families prior to the event, so please indicate below if you plan on attending the ceremony. Keep the top half for your records. We hope to see you there!

Dear Kindergarten and First Grade Parents/Guardians,

Are you looking for an activity that will allow your child to continue learning *and* have fun over the summer break? Then check out Greg Tang's Summer Break Math Challenge! (<http://gregtangmath.com/summer>)

During the break, students can go to [gregtangmath.com](http://gregtangmath.com) to complete the activities on the attached game board. The additional game boards are on the site listed above.

Students who complete the challenge can earn a certificate and a chance to win a prize from the Tang Math Store! As students complete each game, initial the box to show completion.

It is fine for students to get help from you or someone else if they need it. They can also move to a harder or easier level of the game to make things more or less challenging.

After your child completes a game board, be sure to enter them for a chance to win a prize.

Enjoy your summer!

Sincerely,

Lindsey Potere
